Leftover Chicken Recipe:

Dinner Blah Busters Mishaël Witty, 2019-04-17 We've all seen those commercials for the meal planning services that show the frustrated woman cooking chicken for dinner AGAIN. Truth is I've been there. I've been known to cook chicken for dinner more than once a week. And I used to always cook it the same old way. Then I discovered I could cook several pounds of chicken in the Crock Pot at one time and I could use different techniques, spices and meal accompaniments to turn the same main course meat into something truly different. In this book you will find seven different recipes to spice up your leftover Crock Pot chicken including 2 exciting and quite different curry recipes, 1 special Thai recipe, 1 low-calorie low-carbohydrate BBQ sandwich recipe, 1 old-fashioned chicken dumpling recipe, 1 delicious chicken salad recipe and my favorite chicken copycat recipe. You can fix one of these recipes every day for a week. I don't recommend this or you can fix a plain Crock Pot chicken recipe one day a week and use these to make your chicken leftovers more interesting later on in the week. One recipe per week will give you almost two months worth of ideas. This isn't a diet cookbook. Some of these recipes are low-calorie, low-fat and/or low-carb but some aren't. Nutritional information is included for each recipe so you can choose the ones that are best suited for your particular situation. Chicken is one of the most popularly consumed meats at dinnertime especially among those who eat at home. But no doubt about it it can get a little boring. Follow the recipes in this book and you're sure to see chicken in a whole new way and maybe even look forward to eating it more. Leftover Chicken Recipes Stephanie Sharp, 2021-07-28 We often cook so much chicken that we are not able to consume it on the same day. Most of us won't like to eat the same chicken on the following day and we often get confused about the leftover chicken. Don't worry you can prepare some good recipes with the leftover chicken that will taste great and your family or guests will love them too. The best part about leftover chicken recipes is that you can easily prepare them without any hassle. This book has 40 delicious leftover chicken recipes that you can explore, cook for your family or even guests. *Cooking in Small Spaces: Recipes for Tiny Kitchens* Ahmed Musa, 2024-12-31 Living in a small space doesn't mean you have to compromise on cooking delicious meals.
