Emiko Chieri

Uegaki, 2025-06-10 A sweet and savory YA romance this modern day Japanese Canadian twist on Emma is just the recipe for fans of Jenny Han Jane Austen and Gilmore Girls A busybody foodie avoids questions of her own future as she meddles in the love lives of those around her Has this matchmaker met her match Self-declared matchmaker GENIUS Emiko Kimori has already found success by helping her aunt find true love so when the new girl in town becomes her new BFF it's only natural for Emiko to help set her up for social success with a suitable love match Emiko lives with her Ojii-chan in a small town on BC's West Coast surrounded by friends and neighbors including her childhood friend Kenzo Sanada who wishes she'd spend less time playing matchmaker But Emiko can so clearly see who belongs together even when her targets don't know it themselves

She simply has to meddle for the sake of true love As for her own romantic life though who has time for that Emiko is far too busy with her matchmaking schemes her brunch recipes volunteering her bustling social life keeping up her grades eating said brunch recipes and making plans for after graduation Plans she will absolutely decide on soon Definitely Maybe But when Emiko ends up falling for the last person she expects she finds herself caught in the tangled web of her own love matches For the first time instead of arranging from afar Emiko has to figure out what it means to be in love herself and that friendship and romance are more complicated than she ever imagined Iconic Designs Grace Lees-Maffei,2020-01-23

Iconic Designs is a beautifully designed and illustrated guide to fifty classic things designs that we find in the city in our homes and offices on page and screen and in our everyday lives In her introduction Grace Lees Maffei explores the idea of iconicity and what makes a design iconic and fifty essays by leading design and cultural critics address the development of each iconic thing its innovative and unique qualities and its journey to classic status Subjects range from the late 19th century to the present day and include the Sydney Opera House the Post It Note Coco Chanel s classic suit the Sony Walkman™ Hello Kitty™ Helvetica the Ford Model T Harry Beck s diagrammatic map of the London Underground and the Apple iMac G3 This handsome volume provides a treasure trove of stories that will shed new light on the iconic designs that we use without thinking aspire to possess love or hate or love to hate and which form part of the fabric of our everyday lives

Reinventing Childhood Nostalgia Elisabeth Wesseling,2017-09-11 While Romantic era concepts of childhood nostalgia have been understood as the desire to retrieve the ephemeral mindset of the child this collection proposes that the emergence of digital media has altered this reflective gesture towards the past No longer is childhood nostalgia reliant on individual memory Rather it is associated through contemporary convergence culture with the commodities of one s youth as they are recycled from one media platform to another Essays in the volume s first section identify recurrent patterns in the recycling adaptation and remediation of children s toys and media providing context for section two s exploration of childhood nostalgia in memorial practices In these essays the contributors suggest that childhood toys and media play a role in the construction of s the imagined communities Benedict Anderson that define nations and nationalism Eschewing the dichotomy between restorative and reflexive nostalgia the essays in section three address the ethics of nostalgia in terms of child agency and depictions of childhood In a departure from the notion that childhood nostalgia is the exclusive prerogative of narrative fiction section four looks for its traces in the child sciences Pushing against nostalgia s persistent associations with wishful thinking false memories and distortion this collection suggests nostalgia is never categorically good or bad in itself but owes its benefits or defects to the ways in which it is brought to bear on the representation of children and childhood

EBOOK: Retail Marketing ENNIS, SEAN,2015-10-16 **EBOOK Retail Marketing** **The Neuro-Consumer** Anne-Sophie Bayle-Tourtoulou,Michel Badoc,2020-04-24 Neuroscientific research shows that the great majority of purchase decisions are irrational and driven by subconscious mechanisms in our brains This is hugely disruptive to the rational logical arguments of traditional communication and marketing practices and we are just starting to understand how organizations must adapt their strategies This book explains the subconscious behavior of the neuro consumer and shows how major international companies are using these findings to cast light on their own consumers behavior Written in plain English for business and management readers with no scientific background it focuses on how to adapt marketing and communication to the subconscious and irrational behaviors of consumers the direct influence of the primary senses sight hearing smell taste touch on purchasing decisions and the perception of communications by customers brains implications for innovation packaging price retail environments and advertising the use of nudges and artifices to increase marketing and communication efficiency by making them neuro compatible with the brain's subconscious expectations the influence of social media and communities on consumers decisions when collective conscience is gradually replacing individual conscience and recommendation becomes more important than communication and the ethical limits and considerations that organizations must heed when following these principles Authored by two globally recognized leaders in business and neuroscience this book is an essential companion to marketers and brand strategists interested in neuroscience and vital reading for any advanced student or researcher in this area

Superfandom: How Our Obsessions are Changing What We Buy and Who We Are Zoe Fraade-Blanar,Aaron M. Glazer,2017-03-21 An in depth look at the influence of fans society's alpha consumers on our lives and culture As fandom sheds its longtime stigmas of geekiness and hysteria fans are demanding more from the celebrities and brands they love Digital tools have given organizations from traditional businesses to tech startups direct real time access to their most devoted consumers and it's easy to forget that this access flows both ways This is the new fandom based economy a

convergence of brand owner and brand consumer Fan pressures hold more clout than ever before as audiences demand a say in shaping the future of the things they love In Superfandom Zoe Fraade Blonar and Aaron M Glazer explain this new era of symbiosis For producers it can mean a golden opportunity brands such as Polaroid and Surge preserved by the passion of a handful of nostalgic fans can now count on an articulate creative and above all loyal audience Yet the new economy has its own risks it s also easier than ever for companies to lose their audience s trust as Valve did when it tried to introduce a paid mod system for its Skyrim video game Examining key cases that span a wide range of consumer markets Fraade Blonar and Glazer explain why some kinds of engagement with fans succeed and some backfire Throughout the authors probe fandom s history sociology and psychology From the nineteenth century American Alice Drake who bribed her way into the houses of her favorite European composers to Hatsune Miku the Japanese virtual celebrity whose songs are composed entirely by fans the dynamics of fandom the activities we perform to show we belong to a group of people with common interests may be as old as culture itself For groupies of financier Warren Buffet and enthusiasts of Cards Against Humanity alike the consumer relationship has been transformed Superfandom is an essential guide for those who care about contribute to and live in our rapidly expanding fan driven economy
