It is teachers and educators who will have the most profound impact on the lives of our children. Teachers and educators must set good examples to children of all ages. It is you who have embarked on this noble, sometimes tiresome, but always rewarding venture of sensitizing our children and instilling in them the value of having an open mind that learning will benefit many, of critical thinking, of tolerance, diversity, and inclusion. It is us teachers who inspire them to learn, acquire skills and giving emphasis on the practical once just like what we have learned from this seminar.
