**The Art of Showing Up: How to Be There for Yourself and Your People** Rachel Wilkerson Miller, 2020-05-12 A modern roadmap to true connection first by showing up for yourself and then for others If you re having trouble connecting with those around you know that you re not the only one Adult friendships are tricky Part manifesto part guide The Art of Showing Up is soul medicine for our modern tech mediated age Rachel Wilkerson Miller charts a course to kinder more thoughtful and more fulfilling relationships and crucially she reminds us that you can t show up for others if you aren t showing up for yourself first Learn to fearlessly define your needs reclaim your time and commit to self care ask for backup when times are tough and take action when others are in crisis meet and care for new friends and gently end toxic friendships help your people feel more seen and more OK overall

**YOU Lead You** Trevor Stockwell, 2024-02-10 What is

success for you Finding purpose achieving global fame building a profitable business owning fast cars multiple homes saving the environment making the world a better place for others Could you be more successful Are you ready to stop self sabotage Do you feel frustrated limited with a growing sense that more is possible Life is messy and you will not get things right 100% of the time but every experience feeds into the growth process Self leadership is our superpower and often the determinant to the level of success or failure we experience the decider of optimal or mediocre living We decide how far we want to go This book reveals the common allies and enemies to successful self leadership and provides practical insights for leveraging the benefits as well as highlighting areas for personal development The more you raise your level of awareness regarding these areas and consistently develop and express them the more effective your self leadership will be empowering you to experience more fulfilment and lead others more successfully Everything of value has a cost associated to it If self leadership was easy everyone would be a great leader but the pay off for consistently investing in yourself and living with intention is HUGELY SATISFYING If you focus the right level of time and energy in developing great self leadership consistently it will maximise EVERY part of your life minimise self sabotage AND bring exponential positive returns towards those you lead We cannot experience life to the full without taking responsibility for the power we have to think create and lead Wherever we find ourselves we can ALL by giving attention to the right inputs live and lead better This book is one of those inputs YOU Lead You How will you use the power you have Our success is determined by how well we lead ourselves Missing Voices John E. Johnson, 2019-03-31 People are desperate for leaders who are credible those who possess a moral center and exhibit sound leadership skills Given our global realities we need strategic leaders who possess cultural intelligence and theological discernment The aim of this book is to shape such leaders Each chapter combines careful research with contributions from leaders around the world These voices bring much needed insight to leadership issues when translated and applied in different settings especially the many urban multi cultural contexts that exist today Present and emerging leaders no matter the culture or field will find this book invaluable in sustaining their call to godly leadership **Inteligência emocional: um**
