The Book of Letters D. H. Fortin, Rev. Les Seto, 2019-03-21. The Book of Letters: American Correspondence is about the letter writing that occurred between two men growing up in different parts of the United States. Lutheran Pastor Les Seto and correctional worker D. H. Fortin developed a lasting friendship that began when they met in church. The two men's lifelong interest in letter writing soon became apparent. The ten-year span of letter writing between the two men began with sharing the news of Vacaville, CA (pop. 96,000) and the smaller city of Waikoloa, HI. You'll read an account of what was happening to both men during this time period. Americans have certainly struggled with unsettling events from natural disasters to mass shootings. Pastor Seto is comforting and informative as he teaches you how to achieve balance in this life through scripture and prayer. He shares his own personal account of his struggles and accomplishments of ministering through a fundamentally sound understanding of God. In his chapters, Fortin shows how letter writing affected him and impacted the inmates he encouraged while working as a senior counselor in the apex of his prison career. Throughout time, writing letters has been an honorable method of sharing. This book's how-to application teaches how you can be a blessing to others by writing about your own experiences with prayer and the joy of overcoming defeat. Through reading poetry, songs, letters, and books, you'll learn how authors Fortin and Seto developed a desire to teach others their skills. You will read about President Thomas Jefferson, songwriter Fanny J. Crosby, author Amy Carmichael, Reverend Billy Graham, a poet, and others. Through their eyes, you will see the methods of reaching out to others with ideas and kind, heartfelt writing. You could be one of The Thousand Points of Light.
