STORIES FROM MY LIFE: A SURVIVAL EXPERIENCE

NAUM KLEYMAN, 2018-12-31 In this book I tried to convey through the history of my life the air of the time of my generation and the solutions of the tasks that arose before me This book is also for young people the age my grandchildren I tried to captivate the reader so it reads like an adventure book but everything written is the truth Of course life has changed very significantly but the obstacles that a person encounters on their way while moving toward their goals remain extremely difficult to overcome and often seem impossible I hope my story will aid young people in overcoming these difficulties support in troubled times and help them survive

Proofs in Competition Math: Volume 2 Alexander Toller, Freya Edholm, Dennis Chen, 2019-07-10 All too often through common school mathematics students find themselves excelling in school math classes by memorizing formulas but not their applications or the motivation behind them As a consequence understanding derived in this manner is tragically based on little or no proof This is why studying proofs is paramount Proofs help us understand the nature of mathematics and show us the key to appreciating its elegance But even getting past the concern of why should this be true students often face the question of when will I ever need this in life Proofs in Competition Math aims to remedy these issues at a wide range of levels from the fundamentals of competition math all the way to the Olympiad level and beyond Don t worry if you don t know all of the math in this book there will be prerequisites for each skill level giving you a better idea of your current strengths and weaknesses and allowing you to set realistic goals as a math student So mathematical minds we set you off
