The Very Best, Hands-On, Kinda Dangerous Family Devotions, Volume 1 Tim Shoemaker, 2019-05-21 As parents hoping to raise godly children we may understand the importance of regular family devotions However we may find it difficult to get our kids or even ourselves fully engaged But what if devotions looked less like sitting in the living room listening to someone read and trying to pry answers out of reluctant kids and more like say electrocuting a pickle Or converting a leaf blower into a toilet paper launcher Or lighting toothpaste on fire These hands on kinda dangerous totally unforgettable object lessons along with nearly fifty others are not only more fun than other family devotions they actually deliver the spiritual impact you desire for your kids They ll even get dads and any too cool for this stuff teens jazzed about a weekly family devotional time So put away the flannelgraph get out the safety goggles and start bringing the truths of Scripture to vivid life in your household Just remember to change out of your Sunday clothes first
