Teaching Evidence-Based Writing: Fiction Leslie Blauman, 2016-09-19 One in a million. Yes, that's how rare it is to have so many write about reading strategies so beautifully put to use. Each year Leslie Blauman guides her students to become highly skilled at supporting their thinking about texts, and in *Evidence-Based Writing: Fiction* she shares her win-win process. Leslie combed the ELA standards and all her favorite books and built a lesson structure you can use in two ways: with an entire text or with just the excerpts she's included in the book. Addressing Evidence Character Theme Point of View Visuals Words and Structure, each section includes lessons you can use as teacher demonstrations or for guided practice with *Best Test* tips on how to authentically teach the skills that show up on exams with the texts you teach. Prompt Pages serve as handy references giving students the key questions to ask themselves as they read any text and consider how an author's meaning and structure combine. Excerpts to Write About Pages feature carefully selected passages from novels, short stories, and picture books you already know and love, and questions that require students to discover a text's literal and deeper meanings. Write About Reading Templates scaffold students to think about a text efficiently by focusing on its critical literary elements or text structure demands and help them rehearse for more extensive responses. Writing Tasks invite students to transform their notes into a more developed paragraph or essay with sufficiently challenging tasks geared for grades 6-8. And best of all, your students gain a confidence in responding to complex texts and ideas that will serve them well in school on tests and in any situation when they are asked, "What are you basing that on?" Show me how you know.

Desperately Seeking Something Susan Seidelman, 2024-06-18 The funny and insightful first person story of the trailblazing movie director of the 80s and 90s whose fearless punk drama *Smithereens* became the first American indie film to compete at Cannes and smash hit *Desperately Seeking Susan* led to a four decade career in film Starting out in the mid 70s a time when few women were directing movies Susan was determined to become a filmmaker She longed to tell stories about the unrepresented characters she wanted to see on screen unconventional women in unusual circumstances needing to express themselves and maintain their autonomy Her genre blending films reflect a passion for classic Hollywood storytelling mixed with a playful New Wave spirit informed by her years living in downtown NYC Seidelman continued to shape American pop culture well into the nineties directing the pilot of the iconic TV series *Sex And The City* focusing her sharp lens on the changing place of women in American society and helping to fundamentally reshape our self image in ways that are still felt today

BOOK DETAILS Raised in the safe cocoon of 1960s

suburbia Susan Seidelman wasn't a misfit, an oddball, or an outlier. She was a good girl with a little bit of bad hidden inside. A restless teenager, she dreamed of escape and reinvention, a theme that would play out in her films as well as in her own life. Because she loved stories, a high school guidance counselor suggested she become a librarian, but she had her sights set further afield. In 1973, she left the Philly suburbs, enrolled at NYU's burgeoning graduate film school, and moved to NYC's Lower East Side. There, she found herself in the right place at the right time. New York City was falling apart, but out of that chaos came a burst of creative energy whose effects are still felt in American pop culture today. Downtown became a vibrant playground where film, music, performance, and graffiti art cross-pollinated, and where Seidelman chronicled the lives of the colorful misfits, oddballs, dreamers, and schemers she met there. It's all in *DESPERATELY SEEKING SOMETHING*. Seidelman not only has a keen perspective on the times she's lived through, from her Twiggy-obsessed girlhood through the Women's Lib movement of the early 70s, the punk scene of the late 70s, Madonna mania of the 80s, to the dot-com greed of the good 90s and beyond, she tells great stories. Princess in a Tower Madeleine Palmer, 2025-05-19. Looking for a short middle school play? This script has it all, from compelling characters that break out of the mold to several speaking parts and an ensemble. *Princess in a Tower* is a two-act middle school script with eighteen parts. The play can be produced with a minimum of 9 actors. Duration: 50 minutes. Plot: 'Twas a long time ago when King Lylan of Nyria decided that the best way to get his youngest daughter, Princess Alliandra, married to a prince was to lock her in a tower. But Allie refuses to follow the classic 'wait for the prince' fairy tale. She's gonna write her own destiny. On her quest for freedom, she meets a kind fairy godmother, a less-than-kind, slightly evil fairy godmother, a knight who loves animals, a stuffy prince out for revenge, an orphaned peasant girl, and one very tall dwarf. Filled with comedy, magic, emotion, friendship, nicknames, and destiny, *Princess in a Tower* is not your average fairy tale.
