While much attention is paid to the role of the state in the development of the economy, the role of the state in the development of the social system is often overlooked. The state is not only a political entity, but also a social entity. It is the state that is responsible for the development of the social system, and it is the state that is responsible for the development of the economy. The state is the only entity that has the power to enforce laws and regulations, and it is the state that is responsible for the development of the social system.
