Good As Gold:

Good as Gold Susan Laine, 2016-07-06 Sequel to Code Yellow Heroes at Heart Book Four It's been two and a half years since aspiring writer Yancy Bell met troubled jock Curt Donovan Yancy works at the NY Public Library and Curt is studying dance at Juilliard It's summer in New York City and the devoted couple couldn't be happier together Yancy's book is the story of Curt's survival of depression and attempted suicide When his former English professor Hume encourages him Yancy is surprised and pleased only to be devastated when Hume commits an unethical act This adversity leads Yancy to a new understanding of depression as he spirals down to his lowest point ever It's Curt's turn to step up to the plate and become Yancy's hero

Good as Gold Joseph Heller, 1997 Dr Bruce Gold a forty eight year old Jewish professor of English faces the possibilities of being appointed to a high State Department position and being disowned by his family

Good as Gold: Techniques for Fundamental Baseball Frank White, 2012-02-07 From 1973 to 1990 the name Frank White was synonymous with fundamental baseball White the five time American League All Star won eight Rawlings Gold Glove Awards the annual award that Major League Baseball gives to its top defensive players at each position at second base and had a career batting average of .255 for the Kansas City Royals White is one of only three Royals to have his number retired Since his retirement White has been an on field coach for the Boston Red Sox and the Royals Designed for players at every level in Good as Gold White stresses his fundamental approach to baseball in defensive play hitting base running and throwing as well as the physical preparation and mental aspects of the game White also includes his advice to today's youth about staying in school avoiding drugs and alcohol and the importance of setting goals Good as Gold incorporates a lifetime of observations teaching techniques and player analysis from one of baseball's all time greats Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you root for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Good as Gold Judy Shelton, 2024-10-08 From financial crises to pandemic price spikes to recurring cycles of inflation everyone agrees the economy has seen better days But as soon as pundits and politicians start discussing economics things get murky Most books ask more questions than they answer Most books but not this one Judy Shelton Senior Fellow at Independent Institute former Chairman of the National Endowment for Democracy and critically acclaimed monetary economist has written a book with answers And not a moment too soon With clarity and moral courage Shelton charts the

course to a brighter future She s one of the few economists bold enough to challenge the inflationary policies of the Federal Reserve emphasizing how today s policies enrich elites at the expense of you guessed it poor and middle class Americans This Shelton insists must end And it can end easily But Shelton doesn t stop there Her vision is for not only America but also for people around the world Global economic upliftment she insists need not come at the expense of domestic prosperity We can have both but not without a sound and stable U S currency And history is very clear on this point When the U S dollar is backed by gold America prospers and so does the rest of the world In this book Shelton casts a powerful vision that is as revolutionary as it is time tested a vision that shows how the future American dollar can perform as good as gold or even better But this is no curmudgeonly demand to return to the gold standard of yore Neither is it a demand to return to the Bretton Woods era Instead Shelton offers something new an explanation of how we can use gold for a new international monetary order Step by step she lays out how gold can provide a universal measure of value across borders create new financial opportunities and dramatically increase prosperity around the world If you care about the poor rich and everyone in between you have to read this book and discover how price stability functions as the foundation for productive economic growth how political freedom and economic freedom are fundamentally linked and how one cannot exist without the other how to reconcile the stability of America s domestic currency in a global context the proper role of government in the economy and much much more Writing with a sober but hopeful voice Shelton is no ordinary economist With grace intellectual rigor and unmatched passion this book is a must read for anyone invested in the future of the American and global economy You ll walk away with more answers than questions a rare experience for anyone who reads about monetary policy
