

Good—Bye Letter

Dear Parents,

It was a great pleasure to have your little ones in my classroom this year. We learned so many things. Your children are proud because they finally know how to read and write.

This year is over, so now I return your children to you, the same children that you entrusted to my care last fall. I return them with a few more pounds, a few inches taller, and months wiser, more responsible, and more mature than back then.

Even though they would have grown without my help, it has been a pleasure and a privilege to see their personalities grow day by day and see how they have developed in their learning.

We have laughed, played, studied, learned and enriched our lives during the year. Take care of your children, for they are so precious.

Remember that I will always have great interest in your children and their destinies, wherever they may go, whatever they do and whoever they become.

Sincerely,

Goodbye Letter To First Graders

Didier Musso
