Economics: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2015-06-30 Organizations governments and corporations are all concerned with distributing their goods and services to those who need them most consequently benefiting in the process Only by carefully considering the interrelated nature of social systems can organizations achieve the success they strive for Economics Concepts Methodologies Tools and Applications explores the interactions between market agents and their impact on global prosperity Incorporating both theoretical background and advanced concepts in the discipline this multi volume reference is intended for policymakers economists business leaders governmental and non governmental organizations and students of economic theory **Green Grades** Graham Bullock, 2017-08-25 A comprehensive assessment and analysis of the validity trustworthiness and effectiveness of such environmental ratings as ENERGY STAR LEED and USDA Organic Consumers are confronted with a confusing array of environmental ratings on products that range from refrigerators to shampoos Is the information that these ratings represent trustworthy accurate or even relevant to environmental concerns Information optimists believe that these green grades can play an important role in saving the planet Information pessimists consider them a distraction from pursuing legislative and regulatory actions In this book Graham Bullock offers a comprehensive assessment and analysis of the effectiveness and validity of such environmental ratings as ENERGY STAR USDA Organic the Forest Stewardship Council LEED and the Toxic 100 Air Polluters Index Bullock stakes out a position as an information realist acknowledging both the contributions and the limitations of these initiatives Drawing on interviews case studies and an original dataset of 245 environmental ratings and certifications he examines what he calls the information value chain of green grades organizational associations content methods interfaces and outcomes He explores the relevance of the information to the issues the legitimacy and accountability of sponsoring or cooperating organizations the reliability of methods used to develop the information the prominence and intelligibility of communication to the public and the effects and effectiveness of the information after it emerges from the value chain Bullock's analysis offers a realistic appraisal of the role of information based environmental governance its benefits and shortcomings and its relation to other governance strategies *Advances in Neural Networks - ISSN 2014* Zhigang Zeng, Yangmin Li, Irwin King, 2014-11-28 The volume LNCS 8866 constitutes the refereed proceedings of the 11th International Symposium on Neural Networks ISSN 2014 held in Hong Kong and Macao China on November December 2014 The 71 revised full papers presented were carefully reviewed and selected from 119 submissions These papers cover all major topics of the theoretical research empirical study and applications of neural networks research as follows The focus is on following topics such as analysis modeling and applications **Millionaire Expat** Andrew Hallam, 2017-12-15 Build your strongest ever portfolio from anywhere in the world Millionaire Expat is a handbook for smart investing saving for retirement and building wealth while overseas As a follow up to The Global

Expatriate's Guide to Investing this book provides savvy investment advice for everyone no matter where you're from to help you achieve your financial goals. Whether you're looking for safety, strong growth, or a mix of both, index funds are the answer. Low risk and reliable, these are the investments you won't hear about from most advisors. Most advisors would rather earn whopping commissions than follow sound financial principles, but Warren Buffett and Nobel Prize winners agree that index funds are the best way to achieve market success, so who are you ready to trust with your financial future? If you want a better advisor, this book will show you how to find one; if you'd rather go it alone, this book gives you index fund strategies to help you invest in the best products for you. Learn how to invest for both safety and strong returns. Discover just how much retirement will actually cost and how much you should be saving every month. Find out where to find a trustworthy advisor or go it alone. Take advantage of your offshore status to invest successfully and profitably. Author Andrew Hallam was a high school teacher who built a million-dollar portfolio on a teacher's salary. He knows how everyday people can achieve success in the market. In *Millionaire Expat*, he tailors his best advice to the unique needs of those living overseas to give you the targeted, real-world guidance you need.
