Shining out and Shining In James R. Newby, 2013-10-10 It is a privilege to share through the ministry of writing this
remarkable life with others The life of Tom Tipton begins as a child in segregated Washington DC travels through the
powerful music world of jazz gospel music and the old hymns reaches into politics and the struggles and hopes of
desegregation explores worldwide evangelism and is still being lived out in 2013 in the Twin Cities of Minnesota It would be
a mistake to suppose that Tom Tipton's biography is just one more in the array of books that represent the cult of personal
exposure His is different in kind His message is one of encouragement to the thousands of people who are now discouraged
His story belongs in one sense to the literature of witness but in a far deeper sense it belongs to the literature of hope It is
my hope that those who read these words will have their own lives enriched in the same way that Tom Tipton has enriched so
many lives through his ministry of music He is an amazing man who has the gift of bringing out the best in others Prepare for
