How Old Is Charlie Manual:

The 33-Year-Old Rookie Chris Coste, 2008-03-18 Chris Coste dreamed of playing major league baseball from the age of seven. But after eleven grueling years in the minors a spot on a major league roster still seemed just out of his reach until that fateful call came from the Philadelphia Phillies in May 2006. At age thirty three going on eighty Coste was finally heading to the big time. The 33 Year Old Rookie is like a real life Rocky an unforgettable and inspirational story of one man's unwavering pursuit of a lifelong goal. Beginning in a single parent home in Fargo North Dakota and ending behind home plate on the flawless diamond of the Phillies Citizens Bank Park where fans and teammates call him Chris Clutch because of his knack for getting timely hits this intimate account of Coste's baseball odyssey is a powerful story of determination perseverance and passion. For eleven seasons Coste hustled fought and gritted his way to his breakthrough and never lost faith in his abilities. Along the way he gained the affection and admiration of baseball fans from Ottawa and Scranton to various Mexican and Venezuelan cities. Battered by years spent behind a catcher's mask and faced with bracing realities there were bills to pay and his young daughter was entering first grade. Coste decided to give it one last shot in 2006. But that year during the Phillies major league spring training Coste was demoted to the minors at the last minute to make room for a utility outfielder despite having hit a blistering 463 and earning the trust of the team's pitchers. Later that season though Coste finally got the call up and he hit 364 during the Phillies furious battle to nail down the final postseason berth. Coste takes us through the 2006 spring training season with its pulse quickening moments and close calls and into his first season as a major league catcher with the Phillies. From tense stretch run games that kept Phillies fans on the edge of their seats to moments of intimate personal reflection Coste's saga offers baseball aficionados an inside look at a remarkable life and career. In this stirring wry and candid look at the life of a professional baseball nomad who never surrendered his dream we savor the sometimes bittersweet fruits of victory against seemingly insurmountable odds.

The Time It Never Rained Elmer Kelton, 2008-04-01 Winner of the Spur and Western Heritage Award for Best Western Novel. One of the dozen or so best novels written by an American in this century. Jon Tuska editor of The American West in Fiction. The Time It Never Rained was inspired by actual events when the longest and most severe drought in living memory pressed ranchers and farmers to the outer limits of courage and endurance. Elmer Kelton. Seven time Spur Award winning author. Rio Seco was too small to afford a professional manager for its one room Chamber of Commerce. And Rio Seco meaning dry river in Spanish symbolizes the biggest enemy of the ranchers and farmers in 1950s Texas an enemy they can't control drought. To cranky Charlie Flagg an honest decent rancher the drought of the early 1950s is a battle that he must fight on his own grounds. Refusing the questionable assistance of federal aid programs and their bureaucratic regulations Charlie and his family struggle to make the ranch survive until the time it rains again. If it ever rains again. Charlie Flagg among the strongest of Elmer Kelton's memorable creations is no pasteboard hero. He is courageous and self sufficient but as real as his harsh and unforgiving West.
