**A Concise Guide to Writing a Thesis or Dissertation** Halyna M. Kornuta, Ron W. Germaine, 2019-04-11 *A Concise Guide to Writing a Thesis or Dissertation* provides clear succinct and intentional guidelines about organizing and writing a thesis or dissertation Part I provides an overview for writing a thesis or dissertation It describes the big picture of planning and formatting a research study from identifying a topic to focusing on writing quality

Part II describes the framework and substance of a research study. It models the pattern generally found in a formal five chapter research study. Each chapter of a thesis or dissertation has a specific purpose and this book focuses on each in an easy to follow structure. Chapter One reviews the headings and contents expected in the introduction of a study. Chapter Two provides advice for writing a literature review. Chapter Three discusses what to include when describing the methodology. These first three chapters form the proposal section of a study. Two additional chapters present results. Chapter Four and provide discussion and conclusions. Chapter Five Appendices offer resources for instructors and students including a rubric for evaluating writing exercises to strengthen skills in APA format, sample purpose statements, a research planning organizer and a guide for scholarly writing. The book is designed overall to be a practical guide and resource for students for their thesis or dissertation process.

**Note to readers:** Due to publishing limitations, some of the titles within the book do not accurately conform with APA format. For precise APA format, please see the APA manual 2010 pp 62-63 or refer to Table 1.1 p 8 or Table D.1 p 107 in this book.
