The 2007 Florida Legislature established new requirements for retrofitting buildings undergoing alteration with direction these new requirements go into effect October 1, 2007. The Legislature also directed the Florida Building Commission to develop prescriptive techniques for the requirements.

The Florida Administrative Rule implementing the Legislature's mandate was adopted by the Commission at its August 21, 2007 meeting and will be in effect in October as directed.

You may have heard the Florida Roofing and Sheet Metal Association together with the Building Officials Association of Florida is seeking a delay in implementation of the new requirements and the Commission supports a delay.
