**Linguistic Equity and Procedural Justice through an Interpreter in Court** Ran Yi,2025-06-02 This book presents the findings from original

research about court interpreting in the disciplines of humanities and social sciences from a linguistic perspective It argues that the interpretations of the manner of speech in court can have implications for the accuracy of court interpreting and thus procedural justice The right to a fair representation in one s language of choice is a crucial aspect of linguistic equity and procedural justice However little has been researched about how lawyer questions and the defendant s responses are interpreted in courtroom examinations Drawing on questionnaires and interpreting performance data this mixed methods study adopts a practice informed and evidence based approach to showcase how linguistic evidence can be altered and under represented through an interpreter in court This book has three main contributions 1 increasing the awareness of interpreting accuracy through the manner of speech linguistic equity and procedural justice through a court interpreter 2 promoting effective multilingual legal communication through interprofessional understanding and researcher practitioner collaboration and 3 compassing future pedagogies about the interpreting accuracy of the manner of speech in court interpreter training Readers interested in applied linguistics and translation studies would benefit from reading this book This interdisciplinary work focuses on language policy court interpreting and linguistic human rights policy and qualitative research methods

KIRSTEEN KIM Pierson Professor of World Christianity Fuller Theological Seminary co editor of The Oxford Handbook of Mission Studies This textbook fills an important niche for postgraduate researchers embarking on empirical research in Practical Theology or Religious Studies Those who have little or no background in the social sciences will find this a clear and well structured introduction on how to conceive a research project and what methods are available to answer their research

questions Reading this before they embark on their journey could save a lot of problems further down the road

ANDREW VILLAGE Professor of Practical and Empirical Theology York St John University author of *The Church of England in the First Decade of the 21st Century* Here is a fascinating and engaging handbook every researcher in theology and religious studies should read and assimilate It fulfils a felt need by pooling the wealth of sociological methodologies and applying them to the scientific study of lived religion The author has done a unique service and his work will remain a point of reference for years

FELIX WILFRED Founder and Director of Asian Centre for Cross Cultural Studies Chennai editor of *The Oxford Handbook of Christianity in Asia* It is very good to see the use of social science methods being developed to aid religious studies and theological research My hope is that this very practical book using such up to date resources as Alan Bryman's *Social Research Methods* OUP now in its fifth edition will help to develop this important form of study further

ROBIN GILL Emeritus Professor of Applied Theology University of Kent author of the trilogy on *Sociological Theology* This volume fills an important gap in the field by bringing social scientific methods into theology and religious studies All parties in this conversation have much to gain from a sustained dialogue and this book moves us in that direction

JOHN BARTKOWSKI Professor Sociology University of Texas at San Antonio This is a valuable resource written in a way that theological students will understand and supervisors will appreciate It takes the student by the hand from the formulation of the research topic through methodological positioning and choices and closes with a chapter on supervision expectations I look forward to prescribing it to my own postgraduate students

NADINE BOWERS DU TOIT Professor Theology and Development University of Stellenbosch editor of *Race Faith and Inequality amongst Young Adults in South Africa* The highly readable yet exhaustive and authoritative text covers all aspects of the variety of methods available to contemporary scientists who either produce or evaluate empirical research The text is intended for students and scholars of theology and religious studies but anyone interested in how religion is practiced in different cultural contexts and want to understand individual lived experiences and interpretations will find this text an invaluable guide

RALPH W HOOD Jr Professor of Psychology University of Tennessee co editor of *Research in the Social Scientific Study of Religion* series Upon launching out on research students and scholars are always on the lookout for good books on research methodology In Dr Iyadurai's book they will find an excellent manual spanning the length and breadth of what they are looking for I strongly recommend this book to all those engaged in research

FRANCIS GONSALVES SJ President Jnana Deepa Pontifical Athenaeum of Philosophy Theology author of *God of Our Soil Towards Subaltern Trinitarian Theology* Joshua Iyadurai has been teaching research methods to PhD students in Christian Studies for over a decade He is an expert facilitator in this hybrid field helping both theology and religious studies students use social research methods more rigorously and effectively This book will be immensely helpful to anyone wanting to do research in the field of religion as well as to those in classes focused on research methods I highly recommend it

ROBERT K JOHNSTON Professor of Theology and Culture Fuller Theological Seminary co author of *Deep Focus Film and*

Theology in Dialogue Social Research Methods for Students and Scholars of Theology and Religious Studies is a masterpiece that draws from Joshua's experience of teaching social research for two decades. The book aims to catalyze theological scholarship using social research methods with scientific precision. Scholars, educators, and graduate students will find this text a welcome resource. I highly recommend it. DAVID TARUS, Executive Director, Association for Christian Theological Education in Africa (ACTEA), author of *A Different Way of Being*.

**The Routledge Handbook of Korean Interpreting** Riccardo Moratto, Hyang-Ok Lim, 2023-10-23. Professor Riccardo Moratto and Professor Hyang Ok Lim bring together the most authoritative voices on Korean interpreting. The first graduate school of interpretation and translation was established in 1979 in South Korea. Since then, not only has the interpretation and translation market grown exponentially, but so too has research in translation studies. Though the major portion of research focuses on translation, interpretation has not only managed to hold its own, but interpretation studies in Korea have been a pioneer in this field in Asia. This handbook highlights the main interpretation research trends in South Korea today, including case studies of remote interpreting during the Covid 19 pandemic. Korean interpreting for conferences, events, and diplomacy, and research into educating interpreters effectively. An essential resource for researchers in Korean interpreting, this handbook will also be very valuable to those working with other East Asian languages. *American Book Publishing Record*, 2003. *The British National Bibliography*. Arthur James Wells, 2009.

**Specialized Communication** Thorsten Roelcke, Ruth Breeze, Jan Engberg, 2025-06-02. Specialized communication in science, technology, or institutions is one of the most important and exciting fields of applied linguistics. The handbook captures the current and relevant knowledge of specialized languages and professional communication. It promotes international communication on central issues where dialogue is urgently needed concerning both their intellectual underpinning and the day to day practices associated with them.
