Long Journeys: An American Tale from the Revolution to the War of Northern Aggression Charles Peoples, 2017-08-02

This is a book of historical fiction that covers the period from the early days of the English colonies in the New World until the completion of Reconstruction after the end of the so called Civil War. The author created the fictional Andrews family to tell the tale of the long journeys traveled by individual families, armies and the country of America during this 200 year period. The causes, the conduct and the outcomes of the American Revolution and the War of Northern Aggression aka Civil War are the backdrop for the journeys traveled by the Andrews family and the country. **A Journey to Freedom** Steven W.

Moore, 2010-06-30 Born on the Defour plantation in Natchez, Mississippi before the Civil War, Koweenas early life is fraught with uncertainty. She doesn't look like the other slave girls. Her skin isn't as dark, her hair is brown instead of black, and she is treated differently by other slaves. Yet her mother refuses to answer her questions. The day Koweena meets Julie, the daughter of the plantation owner, her life changes forever. Koweena is allowed to play in the big house and she realizes that there is far more to life than living in a pitiful shack and wearing rags for clothes. The urge to find freedom blots out everything else during the next several years as she looks for ways to find a new life, especially when she sees the continued depravity at the Defour plantation. Koweenas salvation comes from an unexpected source. Julie herself wants to help her find freedom, and the two begin to plan for Koweenas trip on the Underground Railroad. It's a journey fraught with danger, but Koweena knows she has no choice. She must take this step if she is ever to find the happiness she longs for. But then Koweena learns the shattering truth of her parentage, one that will make her question not only her past but her future as well.

**The Mystic's Map** Rev. Carol Bodeau PhD, 2017-03-27 Many of us today are on a quest for deeper meaning, for greater peace, and for a steady connection to a source of well-being. The Mystics Map is an outline for the spiritual journey. No matter where you are on your own spiritual quest, just starting out well on your way, or perhaps feeling stalled in your progress, The Mystics Map offers you insight and inspiration for charting your own unique course. Through the author's personal stories and stories from her clients and companions, you will be inspired to move forward. And through numerous practical exercises and bits of wisdom from many spiritual traditions, The Mystics Map gives you the tools you need to take the next step.
