The West African Methodist Collegiate School, 1911-2021 Christopher E. S. Warburton, 2021-12-22 The West African Methodist Collegiate School 1911 2021 presents an intricate analysis of challenging missionary work in Sierra Leone and West Africa In meticulous detail the book revisits an era that spans the slave trade and the manumission of slaves and examines the ways that missionaries helped to educate former slaves and free men for a viable form of existence The checkered history of the school chronicles the adversities courage and determination of men who dared to preserve an educational institution that was designed to provide religious and secular education In more elaborate terms the book reveals how changing circumstances and conditions of the twenty first century can obscure a nineteenth century concept when socioeconomic challenges and the vicissitudes of war and epidemics become too overpowering

Developmental Dyslexia and Anaphora Resolution in English L1/L2 Nicoletta Simi, 2021-06-15 This book presents the results of three experimental studies focusing on the ability of people with dyslexia to resolve ambiguous anaphoric sentences where concrete and abstract referents are present Each study represents a step in the ongoing investigation of this issue and stems from questions left unanswered by previous research This work is primarily inspired by the desire to gain a better understanding of the role of syntactic and lexical knowledge in text comprehension and more specifically of the effects of word concreteness and abstractness in anaphora resolution contexts for readers with dyslexia The book also investigates the resources necessary to process ambiguous anaphoric sentences The

innovative methodology implemented here comprises both experimental techniques such as eye tracking and the use of questionnaires and standardised tests to answer specific research questions It also puts forward a hypothesis that explains the different deficits manifesting in people with dyslexia and suggests that in reading comprehension tasks the known impairment in people with dyslexia s working memory may hinder their ability to efficiently and accurately perform tasks involving procedural memory resources As a consequence this impairment would emerge as disruptions of people with dyslexia s semantic and syntactic competence as well as their functioning in complex tasks which are particularly demanding in terms of working memory resources The Conference on Training for Foreign Service Anna Tolman Smith,Chester

The Township and Community High School Movement in Illinois Horace Adelbert Hollister,1917 **A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Account to the Latter Half of the Nineteenth Century** Samuel Austin Allibone,1881 **The Library of Literary Criticism of English and American Authors: 1855-1874** Charles Wells Moulton,1904 **A Bilingual Dictionary of the Hebrew and Aramaic Old Testament** Koehler,Baumgartner,2024-03-18 The publication of the first edition of A Bilingual Dictionary of the Hebrew and Aramaic Old Testament by Ludwig Koehler and Walter Baumgartner in 1953 marked a major event in Old Testament studies It presented a vast treasure of lexicographical material with renderings into both German and English Its publication superseded at once all other existing dictionaries mostly stemming from the 19th century The Dictionary offered for the first time a strictly alphabetical order of entries rather than a simple arrangement by roots This feature not only saved the scholar much time and work it also set the standard for future lexicographical work on the Old

Testament In 1958 a new expanded edition was published which included an extensive supplement Many reprints have followed since all following the original presentation of a dictionary and supplement in two separate volumes To this very day the Dictionary remains the only complete and comprehensive English German dictionary of the Old Testament This new impression of the Dictionary is published in one handy volume meeting the needs of many scholars and students Originally published as Lexicon in Veteris Testamenti Libros 1953 1983 **On the Eve** Bernard Wasserstein, 2012-05 On the Eve is the portrait of a world on the brink of annihilation In this provocative book Bernard Wasserstein presents a new and disturbing interpretation of the collapse of European Jewish civilization even before the Nazi onslaught **Herald and Presbyter**, 1896 **Invisible Work** Toshie Okita, 2002-03-22 There is growing recognition that context is important for bilingual language development but understanding of that context remains underdeveloped This innovative study spanning the fields of bilingualism ethnicity and family studies shows how language use in intermarried families is deeply intertwined with the experience of everyday childrearing in specific socio historical contexts This is why despite good intentions expert advice and effort bilingual child rearing often encounters difficulties Conversely drawing on in depth interviews of twenty eight Japanese mother British father families in the UK the study uses a focus on language issues to portray actual childrearing dynamics and situated ethnicity in intermarried families Presenting a vivid picture of the invisible work of mothers in these families and how they attempt to resolve conflicting pressures and demands over childrearing language and education the author shows the importance of recognition and shared responsibility This book will interest researchers practitioners and parents interested in bilingualism ethnically diverse families and multicultural education **The English Reader: a Key in the English Language and Literature** J. Nomishan, 2023-05-25 This book Education in Nigeria Reflections and Global Perspectives provides a broad overview of education in Nigeria It recognizes the vital role education plays in the development of Nigeria and has attempted to air the concerns and call of the Nigerian public as well as educators for reform in the educational system in Nigeria The book further recognizes that Nigerian education continues to be evolved first into a system of Western European education and then into a global system of education It attempts to examine the status of education in Nigeria and thereby seeks solutions by exploring Nigeria s and global historical perspectives current trends and future directions regarding students and learning teachers and teaching the school curriculum and administration of schools It is expected that the comprehensive nature of the text will be beneficial to individuals in teacher preparation programs as well as those who plan to work with children in pre kindergarten nursery through secondary settings The chapter content of the book focuses on the variation of thought as to the principal objectives of educators to help students in Nigeria develop habits skills and ideas and help them to think It adds to the importance of providing education to all especially at the time when Nigeria is frankly making an effort to affirm democracy For any nation

to be truly democratic it must maintain an educated electorate Education prepares people to make informed decisions that affect the society All children in Nigeria should therefore receive an education to prepare them to become effective members of the world society This book seeks to examine and reflect on education in Nigeria and globally are genuinely working in order to produce not only intelligent men and women who will be cultured and skilled but also the leaders who will adapt themselves to their environment adjust themselves to the outside world and give direction and purpose to their people for the building of a modern nation whose nationals must realize that they are destined to give leadership in many directions of human endeavour Dr Nnamdi Azikiwe FMR President of Nigeria speaking of progressive elements of Nigeria *Edinburgh Public Library.
