Chen, Adam Chen, 2016-05-26 This book serves as a comprehensive guide for using a Nexstar Evolution mount with WiFi SkyPortal control walking the reader through the process for aligning and operating the system from a tablet or smartphone The next generation Go To mount from Celestron this is compatible not only with the Nextstar Evolution but also with older mounts It is the ideal resource for anyone who owns or is thinking of owning a Nexstar Evolution telescope or adapting their existing Celestron mount Pros and cons of the system are thoroughly covered with a critical depth that addresses any possible question by users Beginning with a brief history of Go To telescopes and the genesis of this still new technology the author covers every aspect of the newly expanding capability in observing This includes the associated Sky Portal smartphone and tablet application the transition from the original Nexstar GoTo system to the new SkyPortal system the use of the Sky Portal application with its Sky Safari 4 basic software and Celestron WiFi adaptations and discussions on the use of SkyPortal application using the Celestron adapter on older Celestron mounts Comments and recommendations for equipment enable the reader to successfully use and appreciate the new WiFi capability without becoming overwhelmed Extensively illustrated using actual screenshots from the program interface this is the only guide to the Nextstar SkyPortal an observer will need *A Guide to New Testament Greek* Erwin Penner, 2002 The fundamental distinctive of this textbook is its spiral rather than linear methodology of teaching the Greek language The student is introduced to all the essential grammar quite rapidly in order to develop an overall understanding of the structure of the language The grammatical details which cannot be fully mastered in the initial overview are revisited in succeeding lessons to fill in gaps of understanding and to build memory Much time is devoted to reading and analyzing Greek text thus

reinforcing grammatical learning with practical experience This stands in contrast to the linear method found in most Greek textbooks which takes a slower approach by spreading exposure to the grammar over the whole learning period but then suffers from a lack of sufficient practise in Greek text The structure of this textbook needs to be understood from the perspective of its teaching methodology In addition to the spiral methodology this textbook offers a number of useful paedagogical features Clear advice on the most important learning at every stage Immediate use of the Greek New Testament text Focus on transfer of learning rather than excessive memorization Explanation of English grammar at relevant points Special techniques and descriptions to aid learning Vocabulary learning based on word frequency Adaptability to various course structures This book offers a fresh methodology to teaching Greek born of much experience and success in the classroom It blends deductive and inductive instruction together efficiently to make learning Greek manageable and enjoyable
