Nombreux sont les gens souffrir de douleurs dorsales conséquences de notre mode de vie sédentaire. Pourtant, il est possible de préserver nos enfants de ce mal en leur apprenant de bonnes bases posturales, ce qui constitue l'objectif de la fameuse méthode Pilates adoptée déjà par des millions de personnes. Celle-ci permet de renforcer ses muscles profonds pour mieux stabiliser sa colonne vertébrale et recréer une harmonie entre sa souplesse et sa force musculaire. Les mouvements de la vie quotidienne s'en trouvent améliorés et les bonnes postures deviennent naturelles. Ce livre rend cette méthode accessible aux enfants : tous les exercices ludiques et faciles exécutés sont illustrés de photographies. Ils peuvent être utilisés tout au long de leur croissance et exécutés galement par les grands. Des programmes d'exercices viennent compléter cet apprentissage pour une pratique rigoureuse et efficace. Adoptez des postures justes et saines pour toute la vie.

Pilates for Children: Making Pilates Safe and Fun for Kids Christina Maria Gadar, 2019-09-12

First Educate the Child. In his book *YOUR HEALTH*, Joe Pilates made it very clear that he wanted children to learn his system of body mind spirit development. In fact, there are many Pilates teachers who are making his dream a reality, and yet there is still very limited information on how to maintain the integrity of the Pilates Method while adapting the exercises for young students. *PILATES FOR CHILDREN* is an unprecedented Pilates book featuring safety modifications, age appropriate verbal prompts, child friendly imagery, and useful tips for teaching Pilates to elementary school age children on both the Mat and the Pilates equipment. Additionally, teachers will discover that the information provided here can be applied to students far beyond the 6-11 age range. In addition to her detailed descriptions of the exercises, author Christina Maria Gadar personalizes the material with some of the delightful conversations and interactions that have taken place while teaching her young students. And she presents many of the insightful sayings passed on to her from her mentor, Romana Kryzanowska. Joseph Pilates protégé, *PILATES FOR CHILDREN* is a must for any certified Pilates teacher interested in expanding his or her teaching skills. With artwork created by a child artist and Pilates photography featuring children demonstrating all the exercises, *PILATES FOR CHILDREN* is more than a comprehensive text. It is a beautiful and inspiring look at what children are capable of doing when given the opportunity to rise to the occasion.
