background behind Dorothy's creations and the effect of rationing during the First World War. Using extracts from her autobiography and many other books we are given a unique insight into the life of Dorothy Peel and a new perspective on the period. Her witty, poignant and informative comments reveal a woman with a genuine social conscience who was in many ways ahead of her time. Written in a light and accessible style, *Bicycles, Bloomers and Great War Rationing Recipes* reveals how society changed during the First World War when rationing put a strain on every kitchen in the country. Many of Dorothy's recipes are featured in their original form, such as the long forgotten Devilled Bananas and wartime Potato Gateau. Other mouth-watering recipes include Chicken en Casserole, Cheese Pufflets and some delicious tea-time treats such as Feather Tart and Candied Pears. Vicky Straker has tried and tested recipes from Dorothy's cookery books and where appropriate amended them to suit modern tastes. Superb biography and some really interesting recipes to try.
