Reading the Wampum Penelope Myrtle Kelsey, 2014-12-03 Since the fourteenth century Eastern Woodlands tribes have used delicate purple and white shells called wampum to form intricately woven belts These wampum belts depict significant moments in the lives of the people who make up the tribes portraying everything from weddings to treaties Wampum belts can be used as a form of currency but they are primarily used as a means to record significant oral narratives for future generations In Reading the Wampum Kelsey provides the first academic consideration of the ways in which these sacred belts are reinterpreted into current Haudenosaunee tradition While Kelsey explores the aesthetic appeal of the belts she also provides insightful analysis of how readings of wampum belts can change our understanding of specific treaty rights and land exchanges Kelsey shows how contemporary Iroquois intellectuals and artists adapt and reconsider these traditional belts in new and innovative ways Reading the Wampum conveys the vitality and continuance of wampum traditions in Iroquois art literature and community suggesting that wampum narratives pervade and reappear in new guises with each new generation The Routledge

Handbook of AI and Literature Will Slocombe, Genevieve Liveley, 2024-12-30 The Routledge Handbook of AI and Literature provides an invaluable resource for those interested in deepening their understanding of the variety of theories and approaches available when AI is studied or deployed in literary contexts. It also illustrates ways in which AI researchers can use literary lenses to better understand the sociotechnical dynamics and cultural imaginaries shaping human interactions with AI. Both AI and literature are understood in their broadest senses here. The book incorporates chapters that deal with Large Language Models, Generative AI, transformer architectures, story generators, and computational analysis. Literary case studies embrace performance, poetry, comics, as well as prose, and span a wide range of historical periods from the ancient world to contemporary science fiction and Generative AI poetry. The Handbook brings together early career contributors as well as some of the best known names in the digital humanities and computational literary studies. It offers a fresh perspective on the past, present, and future of AI and literature that will appeal to students and scholars with relevant interests across a range of subjects including AI, Engineering, Classics, Computing, Digital Humanities, English, Ethics, Film, and Television, Law, and Narratology.

ALONG THE WAY Stewart Flate, 2014-12-16 Throughout my life I was extremely fortunate to have met many of the good people that God placed on this earth and avoided most of the folks that he should take back and reprogram. For those persons that I came to respect and love, they will always be referred to by their real names. To the best of my knowledge, not one of them has an outstanding warrant or owes me money, so I have no reason not to include them in my story. Persons for whom I only use initials are very few and are only mentioned in reference to a humorous incident. Besides Kim Young, master counselor and part of our family, insists that no one needs to mention a negative about someone as it is probably already common knowledge.

Emerging Issues and Trends in Education Theodore S. Ransaw, Richard Majors, 2017-08-01 As classrooms across the globe become increasingly more diverse, it is imperative that educators understand how to meet the needs of students with varying demographic backgrounds. *Emerging Issues and Trends in Education* presents case studies from academics who have all at one point been teachers in K-12 classrooms, addressing topics such as STEM, as well as global issues related to race, gender, education, education policy, and parental engagement. The

contributors take an international approach including research about Nigerian Chinese Native American and Mexican American classrooms With a focus on multidisciplinary perspectives *Emerging Issues and Trends in Education* is reflective of the need to embrace different ways of looking at problems to improve education for all students **Learning in the Plural** David D. Cooper, 2014-04-01 Can civic engagement rescue the humanities from a prolonged identity crisis How can the practices and methods the conventions and innovations of humanities teaching and scholarship yield knowledge that contributes to the public good These are just two of the vexing questions David D Cooper tackles in his essays on the humanities literacy and public life As insightful as they are provocative these essays address important issues head on and raise questions about the relevance and roles of humanities teaching and scholarship the moral footings and public purposes of the humanities engaged teaching practices institutional and disciplinary reform academic professionalism and public scholarship in a democracy Destined to stir discussion about the purposes of the humanities and the problems we face during an era of declining institutional support public alienation and misunderstanding student ambivalence and diminishing resources the questions Cooper raises in this book are uncomfortable and in his view necessary for reflection renewal and reform With frank deft assessments Cooper reports on active learning initiatives that reenergized his own teaching life while reshaping the teaching mission of the humanities including service learning collaborative learning the learning community movement and student centered and deliberative pedagogy *The Far Edges of the Fourth Genre* Sean Prentiss, Joe Wilkins, 2014-03-01 Though creative nonfiction has been around since Montaigne St Augustine and Seneca we've only just begun to ask how this genre works why it functions the way it does and where its borders reside But for each question we ask another five or ten questions roil to the surface And each of these questions it seems requires a more convoluted series of answers What's more the questions students of creative nonfiction are drawn to during class discussions the ones they argue the longest and loudest are the same ideas debated by their professors in the hallways and at the corner bar In this collection sixteen essential contemporary creative nonfiction writers reflect on whatever far dark edge of the genre they find themselves most drawn to The result is this fascinating anthology that wonders at the historical and contemporary borderlands between fiction and nonfiction the illusion of time on the page the mythology of memory poetry process and the use of received forms the impact of technology on our writerly lives immersive research and the power of witness a chronology and collage and what we write and why we write Contributors Nancer Ballard H Lee Barnes Kim Barnes Mary Clearman Blew Joy Castro Robin Hemley Judith Kitchen Brenda Miller Ander Monson Dinty W Moore Sean Prentiss Lia Purpura Erik Reece Jonathan Rovner Bob Shacochis and Joe Wilkins *The Prophetic Law* Sandor Goodhart, 2014-01-01 To read literature is to read the way literature reads Ren Girard's immense body of work supports this thesis bountifully Whether engaging the European novel ancient Greek tragedy Shakespeare's plays or Jewish and Christian scripture Girard teaches us to read prophetically not by offering a method he has developed but by presenting the methodologies they have

developed the interpretative readings already available within and constitutive of such bodies of classical writing In *The Prophetic Law* literary scholar theorist and critic Sandor Goodhart divides his essays on Ren Girard since 1983 into four groupings In three he addresses Girardian concerns with Biblical scripture Genesis and Exodus literature the European novel and Shakespeare and philosophy and religious studies issues especially ethical and Jewish subject matters In a fourth section he reproduces some of the polemical exchanges in which he has participated with others including Ren Girard himself as part of what could justly be deemed Jewish Christian dialogue The twelve texts that make up the heart of this captivating volume constitute the bulk of the author's writings to date on Girard outside of his three previous books on Girardian topics Taken together they offer a comprehensive engagement with Girard's sharpest and most original literary anthropological and scriptural insights
