It was a time of unregulated madness. And nowhere was it madder than in Chicago at the dawn of the Roaring Twenties. Enter a slick, smooth talking, charismatic lawyer named Leo Koretz who enticed hundreds of people to invest as much as 30 million upward of 400 million today in phantom timberland and nonexistent oil wells in Panama. This rip-roaring tale of greed, financial corruption, dirty politics over the top and under the radar, deceit, illicit sex and a brilliant and wildly charming con man on the town, then on the lam, is not only a rich and detailed account of a man and an era, it's a fascinating look at the methods of swindlers throughout history. As Model Ts rumbled down Michigan Avenue, gang war shootings announced Al Capone's rise to underworld domination. As bedecked partygoers thronged to the Drake Hotel's opulent banquet rooms, corrupt politicians held court in thriving speakeasies and the frenzy of stock market gambling was rampant. Leo Koretz was the Bernie Madoff of his day and Dean Jobb shows us that the American dream of easy wealth is a timeless commodity. Intoxicating and impressively researched, Jobb's immorality tale provides a sobering post-Madoff reminder that those who think everything is theirs for the taking are destined to be taken. The New York Times Book Review: Captivating. A story that seems to be as American as it can get and it's told well. The Christian Science Monitor: A masterpiece of narrative set up and vivid language. Jobb vividly brings the Chicago of the 1880s and 90s to life. Chicago Tribune: This cautionary tale of 1920s greed and excess reads like it could happen today. The Associated Press

A second attack mere hours later proves Isaiah is in danger. But why? Who would want to kill a church pastor? Isaiah Washington wasn't always a believer. He'd grown up in the hood and had broken the law more times than he cared to count. But he'd managed to turn his life around and accept his duty is to save other kids too. Raelyn doesn't agree; they couldn't be more opposite. But as they comb through the secrets of his past to uncover who is trying to kill him, he dreams of a future with her. Can he convince her to give their love a chance?
