8 Track Digital Recorder

Model **D824**

16 Track Digital Recorder

Model **D1624**

<About this manual>

This manual is the Quick Operation Guide for the Model D824/D1624. This manual describes important information for using the recorder for the first time including "Preparation of a recording medium" and "Formatting a disk". Please read this manual carefully before using the recorder.

In addition, this manual also describes the basic operations such as "Connecting the recorder to an external mixing console", "Basic recording for analog source" and "Basic recording for digital source". Even if this is the first time for you to use the recorder, you will be able to understand the basic operations of the recorder by reading this manual.

To use all of the recorder's functions, please also read the separate Reference manual. The pages of the Reference manual to be referred to are shown on page 25.

<Note>

Because all keys and buttons on the Model D824 and D1624 are identical, most descriptions are done based on the Model D1624. Please note any differences between the Model D824 and D1624, the explanation or note for each model will be described.
