Profiles With Small Group Suggestions References and Resources Index **Writing Strategies That Work** Lori G.
Wilfong, 2015-04-24 Learn the ten keys to effective writing instruction In this dynamic book bestselling author Lori G Wilfong
takes you through today's best practices for teaching writing and how to implement them in the classroom She also points
out practices that should be avoided helping you figure out how to update your teaching so that all students can reach
success You'll discover how to Make sure students have enough work in a genre before you assign writing Develop
thoughtful short writing prompts that are infinite and not finite Have students read and learn from master authors in the
genre they are writing Create a writing community so that writing is not an isolated activity Use anchor charts and
minilessons along with rubrics and checklists Implement revising strategies not just editing strategies taught in context Use
conferencing to grow students as thoughtful reflective writers Let narratives be personal and creative focusing on details and
imagery Let informational writing explore a topic creatively and in depth Let argument writing be situated in real world
application and not be limited to one-sided what-if debates Every chapter begins with an engaging scenario includes the why
behind the practice and how it connects to the Common Core and clearly describes how to implement the strategy The book
also contains tons of handy templates that you can reproduce and use in your own classroom You can photocopy these
templates or download them from our website at <http://www.routledge.com/books/details/9781138812444> **Guided
