Good Clinical Practice Guide Mhra:

Good Clinical Practice Guide, 2012-06 Efforts to control atmospheric accumulations of greenhouse gases that threaten to heat up the planet are in their infancy Although the IMF is not an environmental organization environmental issues matter for the organization's mission when they have major implications for macroeconomic performance and fiscal policy Climate change clearly passes both these tests This volume provides practical guidelines for the design of fiscal policies carbon taxes and emissions trading systems with allowance auctions to reduce greenhouse gases Not only are these instruments potentially the most effective at exploiting emission reduction opportunities in the near and longer term but they can also generate for many countries a valuable new source of government revenue The chapters written by leading experts explain the case for fiscal policies over other approaches how these policies can be implemented reasonable levels for emissions prices policies for the forest sector appropriate policies

Handbook: The Duty for "Sponsor Oversight" in Clinical Research Doris Breiner, 2022-07-11 The evidence that the sponsor of a clinical trial fulfills the obligation to perform oversight of e.g. a CRO that carries out outsourced study activities on behalf of the sponsor is not new Nevertheless the addendum to the ICH GCP has explicitly included this as a sponsor responsibility under point 5.2.2 It applies to all sponsors of a clinical trial independent of the kind of the clinical trial whether commercial or academic study if the study activities are outsourced to a CRO The goal is to ensure the patient safety and data integrity The review of the sponsor's oversight is also

subject to e g an inspection by an authority The first edition of this manual is based on a master s thesis within the framework of the university master s program Clinical Research The concept developed is certainly not completely new but is based inter alia to already discussed measures or publications as example by the English authority MHRA It is intended to serve as an example to illustrate how the sponsor s duty of supervision can be implemented simply and efficiently in rather small medium sized companies Of course every company has to decide for itself how to implement it *Pharmaceutical Medicine* Adrian Kilcoyne,Phil Ambery,Daniel O'Connor,2013-05-23 The breadth of the pharmaceutical medicine can be daunting but this book is designed to navigate a path through the speciality Providing a broad overview of all topics relevant to the discipline of pharmaceutical medicine it gives you the facts fast in a user friendly format without having to dive through page upon page of dense text With 136 chapters spread across 8 sections the text offers a thorough grounding in issues ranging from medicines regulation to clinical trial design and data management This makes it a useful revision aid for exams as well as giving you a taster of areas of pharmaceutical medicine adjacent to your current role For healthcare professionals already working in the field this book offers a guiding hand in difficult situations as well as supplying rapid access to the latest recommendations and guidelines Written by authors with experience in the industry and drug regulation this comprehensive and authoritative guide provides a shoulder to lean on throughout your pharmaceutical career
