Imprisoned Brotha Smitty,2023-06-01 Imprisoned By My Own Damn Mind is a journey through the life thoughts of a child arriving to adulthood who is unable to maintain any kind of relationship with any human being because of the negative thoughts in his head How did those thoughts get in his head Who put those thoughts inside his head and made him believe that the thoughts were absolutely true Labels were inaccurately placed on this young child without any explanation Educators accepted this term without any understanding of the impact to the child The child was separated from a normal setting and put into an abnormal setting and asked to behave normal Other children in the same age group of our child noticed him and his new environment Then the flood of horrible name calling came in and drowned our child in misery Of course our child internalized all this pain That gave voice to the prison guard in his head He got locked up in his head by the thoughts he think about himself daily Is there any freedom from this mind prison It s a sad tragedy when your closest friend is suicide You think he suicide has the only way of escape from all of the horrible pain you feel inside you Welcome to my tormented loneliness imprisoned by my own damn mind

Maelstrom Susanna Strom,2021-01-12 As our band of survivors flee the city we cling to one hope Danger lies behind us not ahead Kenzie Dunwitty is one of the lucky ones She survived the flu that ravaged the planet but her old familiar world is shattered Most of the population is dead and the institutions that hold society together have been wiped out The love she s found with Ripper her bad boy biker is more than a source of comfort His unshakable confidence in her gives her the courage to learn how to fight for survival And to act out her wildest fantasies Ripper Solis will do anything to protect Kenzie Taking care of a woman is a new role for the hardened former soldier a role as intoxicating as she is But even his formidable skills might not be enough to keep her from harm They have their eyes on the prize Valhalla a cattle ranch at the ass end of nowhere A place so far off the beaten path that he hopes they ll be safe But new threats await and they might be even deadlier than the virus
