competitive and environmental factors. An awareness of what the entity is and what it can be is the key to embarking on a journey of organizational progress. This book titled *Organizational Mastery: Competence Behaviour Frameworks* aims to lead the readers on a journey of organizational mastery. Organizational mastery is not a matter of only competitive success or filling the organization with high talent of education and experience. It is a matter of getting the individual members of an organization, whether ordinary or extraordinary, collectively supercharge the aspirations and accomplishments of an organization. Organizational mastery involves building strong competencies and positive behaviours in all its members and translating them collectively and synergistically to organizational competencies and behaviours. This book presents multiple frameworks to achieve organizational mastery. This book will be of interest to students, faculty, industry professionals and administrators.
