#### Review and Incorporation of Recent Medical Literature

McKesson Health Solutions is committed to keeping the InterQual product suite current and accurate. Criteria are continually reviewed and updated, with new editions of every product released annually. McKesson Health Solutions' staff of physicians, nurses, and other licensed healthcare professionals, and its extensive array of primary care and specialty consultants, participate in ongoing criteria revision as new medical information emerges. Each annual release of the criteria reflects a thorough review of new medical literature, society guidelines, and current practice standards and incorporates consultant and user feedback.
