*Musical Intimacy* Zack Stiegler, Todd Campbell, 2023-08-10. Discourse on popular music frequently describes artists' recordings and performances as intimate. Yet that discourse often stops short of elucidating how a mass-produced commodity such as popular music is able to elicit feelings of intimacy with and among its audience. Through detailed analysis of popular music's composition, performance, production, and promotion, *Musical Intimacy* examines how intimacy is constructed and perceived in popular music via its affective and technological affordances.
