Intimate Communion David Deida:

Summary of David Deida's Intimate Communion Everest Media, 2022-05-04T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The book is for men and women who are turned on by sex love and true spiritual ecstasy It is for people who enjoy tangled bodies open hearts and enlightened minds If you are not delighted by a style of intimacy involving deep passion deep devotion and deep understanding then this book is not for you 2 While efforts toward social and economic equality between men and women have been necessary and beneficial we have also suffered an unplanned side effect Men and women have become more and more sexually neutralized unable to give each other what they really want in intimacy 3 To grow in the three stages of intimacy we must come to terms with our deepest desires to give and receive our sexual emotional and spiritual gifts We may find that we are hiding some of our real desires thinking they are unfair or taboo 4 The ultimate pleasure in intimacy is not to be found in any specific person and it is not found in a carefully arranged 50/50 relationship with a safe man or woman It is found in the process of open hearted surrender of being overwhelmed in love
