Theological Issues in Christian-Muslim

Dialogue Charles Tieszen, 2018-06-08 Theological Issues in Christian Muslim Dialogue addresses the main theological topics of discussion that appear in Christian Muslim engagement. Many of these topics originate in the medieval period and the earliest encounters between Christians and Muslims. Even so, the topics persist in contemporary contexts of dialogue and engagement. Christians and Muslims still discuss whether or not God should be understood as strictly one or as a Trinity in Unity, and debates over the nature of revelation or prophethood remain. Theological reflection therefore must continue to be brought to bear on these topics in light of their history and in view of their applicability to growing contexts of interreligious engagement. Theological Issues in Christian Muslim Dialogue is a comprehensive theological sourcebook for students learning about Christian Muslim relations and practitioners engaged in Christian Muslim dialogue.
