handbook you need to keep track of the most essential facts about the future **Jesus Revealed in the End Times** Dr. Robert Jeffress, 2025-03-04 Most books about the end times focus on the events described in biblical prophecy wars natural disasters economic turmoil and more rather than the One who is revealed in those events The result God's people end up fearful about what is to come rather than hopeful about Who is to come But the Bible's prophecies of the last days can fill us with joy and peace as we anticipate the return and reign of our beloved savior Jesus Christ In **Jesus Revealed in the End Times** bestselling author Dr Robert Jeffress takes a radically different approach to prophecy helping you see the end times through the lens of Jesus Christ You'll stop fretting about future events as you start to know Jesus more deeply see him more clearly and praise him more joyfully By the time you finish this book you'll not only have a greater understanding of God's plan for the future but also have a greater sense of calm and courage in the face of what is to come because you've come to know the One who controls the future **Chronicles of the End Times** Mark Davidson, 2018-10-05 Mark Davidson author of *Daniel Revisited* has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiasmatics Lost centuries ago it was rediscovered by seminary scholars in the eighteenth century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In *Daniel Revisited* Davidson showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in *Chronicles of the End Times* chiastic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiastic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What's the purpose of Daniel's Aramaic chapters and how do they affect the end times Which parts of Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls What are the Seven Events of the end times and which one is next This all may seem incredible for one book but is nevertheless true The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy **The End Times Survival Guide** Mark Hitchcock, 2018-11-06 We live in a world that seems to be on the verge of coming apart Shootings Killer viruses The threat of nuclear war All of it is just too real Why does the apocalypse craze in movies and video games appeal to so many people so strongly One answer is it shows us the primal foundations of our existence In the same way what's happening in our world today is moving Christians to return to the foundations of our spiritual existence Believers everywhere must get back to what matters most We must always remember that our battle at its most basic level is spiritual So what are the spiritual tools the essentials that Scripture

tells us we must remember and use as the end draws near In The End Times Survival Guide you will discover ten spiritual tools the Bible relates directly to our preparation for the Lord s coming ten biblical survival strategies to live out in these last days so you and your family can prosper in an increasingly decaying darkening world These strategies won t guarantee your physical or financial well being but they are guaranteed to bring life and vitality to your spiritual health and welfare as you cling to the immovable rock of God s Word When life is whittled down to its essence the real issue is our spiritual condition before God Discover how you can protect yourself and your family spiritually in these dark days Understanding the New Testament and the End Times, Second Edition Rob Dalrymple,2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God s people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God s people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God s people and the demand for holiness Thus eschatology matters **9 Wars of the End Times** David Reagan,2023-05-10 Most people are aware of an end time war prophesied in the Bible called The Battle of Armageddon But do you know Bible prophecy also reveals eight other wars Arm yourself with the truth of what God s prophetic Word says about the end times and make sure you re ready for Jesus return Some topics addressed in this timely book are Is Psalm 83 a prophecy about an end time war What is likely to be the timing of the War of Gog Magog What end time war could be characterized as World War III Is there any evidence that nuclear weapons will be used in any of the end time wars Which war of the end times will be supernatural in nature What wars of the end times will focus on the Jewish people Why is The Battle of Armageddon a misnomer Why will the Millennial reign of Jesus end with a war Is there any hope of a world of eternal peace **Are These the Last Days?** Charles Schmitt,2014-07-01 The path of the righteous is like the first gleam of dawn shining ever brighter till the full light of day Proverbs 4 18 NKJV Solomon says in Proverbs 4 18 that we can expect an increase in enlightenment and an expansion of understanding as we approach the last days That is Charles P Schmitt s position as he presents a fresh scrutiny of Old and New Testament prophetic scriptures in the light of today s world events He traces not only the conflict between Israel and the Arab world but also their amazing last days promises of restoration At all times he underscores the primary backdrop for any Christian view of the last days worldwide evangelism before the end comes Are These the Last Days will graciously challenge your status quo understanding of end time prophecies and enable

you as Solomon said to see this subject in an ever brighter light **Prophecy's Architecture: How to Build an End-Times Doctrine** Cameron Fultz, 2005-05 With so much debate these days over the timing and sequence of end times events is there any hope of believers settling issues like the start of the 70th Week the Second Coming of Christ and the rapture of the Church in their own minds The answer is unequivocally yes Cameron Fultz an end times prophecy teacher and architect by trade argues that like a well designed building a biblical doctrine any biblical doctrine must start with a good foundation This foundation must be built using the clearest most explicit verses that directly address the subject at hand On this foundation we lay the secondary verses to add depth to the interpretation followed by the tertiary verses which layer on beauty and fine detail In these pages Fultz outlines this methodology then uses it to build a doctrine on the issue of end times timing and sequence He starts by listing all of the verses that address the subject both directly and indirectly then builds the doctrine piece by piece Using simple logic and precision combined with abundant charts for easy comprehension Fultz illustrates how like a well designed building good biblical exegesis results in a precise trustworthy result Prophecy s Architecture will challenge those who are already committed to or unsure about today s ready made explanations and give others who don t know what they believe a systematic method for discovering answers for themselves [Encyclopedia of Time](#) H. James Birx, 2009-01-07 With a strong interdisciplinary approach to a subject that does not lend itself easily to the reference format this work may not seem to support directly academic programs beyond general research but it is a more thorough and up to date treatment than Taylor and Francis s 1994 Encyclopedia of Time Highly recommended Library Journal STARRED Review Surveying the major facts concepts theories and speculations that infuse our present comprehension of time the Encyclopedia of Time Science Philosophy Theology Culture explores the contributions of scientists philosophers theologians and creative artists from ancient times to the present By drawing together into one collection ideas from scholars around the globe and in a wide range of disciplines this Encyclopedia will provide readers with a greater understanding of and appreciation for the elusive phenomenon experienced as time Features Surveys historical thought about time including those ideas that emerged in ancient Greece early Christianity the Italian Renaissance the Age of Enlightenment and other periods Covers the original and lasting insights of evolutionary biologist Charles Darwin physicist Albert Einstein philosopher Alfred North Whitehead and theologian Pierre Teilhard de Chardin Discusses the significance of time in the writings of Isaac Asimov Samuel Taylor Coleridge Fyodor M Dostoevsky Francesco Petrararch H G Wells and numerous other authors Contains the contributions of naturalists and religionists including astronomers cosmologists physicists chemists geologists paleontologists anthropologists psychologists philosophers and theologians Includes artists portrayals of the fluidity of time including painter Salvador Dali s The Persistence of Memory and The Discovery of America by Christopher Columbus and writers Gustave Flaubert s The Temptation of Saint Anthony and Henryk Sienkiewicz s Quo Vadis Provides a truly interdisciplinary approach with discussions of Aztec Buddhist Christian Egyptian Ethiopian Hindu

Scripture Workbook: Second Edition; 2 Volumes In 1 Gary F. Zeolla, 2011-09-16 This book contains two volumes previously only available separately. It contains forty individual Scripture Studies. Each study focuses on one general area of study. These studies enable individuals or groups to do in-depth topical studies of the Bible. They are also invaluable to the Bible study teacher in preparing lessons. This book is divided into two Volumes. Volume I covers the essential doctrines of the Christian faith. It is these doctrines that separate the true Christian faith from cultic and other deviations. Included here are studies on such essential doctrines as the authority and reliability of the Scriptures, the attributes of God, the Trinity, and forgiveness and salvation. Volume II of this book then covers controversial theologies, cults, and ethics. Included here are studies on Catholicism, Calvinism, baptism, end-time prophecy, Jehovah's Witnesses, Mormonism, sexual issues, church issues, and many more topics.

The Re-Enchantment of the West, Vol 2 Christopher Partridge, 2006-06-20 Challenging some assessments of religion in the West, this study argues that although much organized religion, particularly Christianity, is in numerical decline, in actual fact we are witnessing an alternative spiritual re-enchantment of society and culture.
