Entrepreneurship And Business Management N5 Question Papers

Pieter Bruwer

Entrepreneurship And Business Management N5 Question Papers:

Igwebuike Ontology: an African Philosophy of Humanity Towards the Other Ejikemeuwa J. O. Ndubisi Ph.D, Jude I. Onebunne Ph.D, Paul T. Haaga Ph.D, 2019-10-21 This book of readings is designed to accomplish two tasks to philosophize on Igwebuike and to honour Professor KANU Ikechukwu Anthony O S A These two tasks or goals go hand in hand because Igwebuike is Professor Kanu's philosophy The book clearly demonstrates why Kanu deserves honour as an African philosopher who has introduced a way of doing African philosophy It is an approach of doing philosophy that takes into account African ontology and cosmology Igwebuike as a systematic African thought is exploratory in nature It investigates issues with a view of seeing how they are related Doing philosophy in this way takes into account not only the African context but the world as a complex entity with myriads of challenges The myriads of challenges facing humanity have a representation in this book For this reason the book is bound to have a global impact In terms of philosophizing this book demonstrates that Africa is confronted with many discourses Discourses that are already going on but need a more systematic African philosophical approach Some of the discourses are on the environment governance infrastructure human and material resource among others Denis Odinga Okiya Maryknoll Institute of African Studies Nairobi Kenya **Current Index to Journals in Education** ,1987 **G.K.
