Documentation for Physical Therapist Practice Jacqueline A. Osborne,2015-08-03 Documentation for Physical Therapist Practice: A Clinical Decision Making Approach provides the framework for successful documentation. It is synchronous with Medicare standards as well as the American Physical Therapy Association's recommendations for defensible documentation. It identifies documentation basics which can be readily applied to a broad spectrum of documentation formats including paper-based and electronic systems. This key resource skillfully explains how to document the interpretation of examination findings so that the medical record accurately reflects the evidence. In addition, the results of consultation with legal experts who specialize in physical therapy claims denials will be shared to provide current, meaningful documentation instruction.

Monty Python's Flying Circus Darl Larsen,2008-06-13 In 1969 the BBC aired the first episode of a new comedy series titled Monty Python's Flying Circus, and the rest as they say is history. An instant success, the show ran until 1974 producing a total of 45 episodes. Despite the show's very English humor and allusions to many things British, the series developed a cult following outside the U.K., particularly in the United States. Known for its outrageous humor, occasionally controversial content, and often silly spirit, Monty Python's Flying Circus poked fun at nearly all institutions, domestic or foreign, grand or intimate, sacred or not. Indeed, many of the allusions and references in the program were uniquely British and routinely obscure and therefore not always understood or even noticed outside the British Isles. This exhaustive reference identifies and explains the plethora of cultural, historical, and topical allusions of this landmark series. In this resource, virtually every allusion and reference that appeared in an episode, whether stated by a character depicted in the *mise en scene* or mentioned in the printed scripts, is identified and explained. Organized chronologically by episode, each entry

is listed alphabetically indicates what sketch it appeared in and is cross referenced between episodes Entries cover literary and metaphoric allusions symbolisms names peoples and places as well as the myriad social cultural and historical elements photos songs slogans caricatures that populate and inform these episodes Entries Include Arabella Plunkett Group of famous characters from famous paintings Hell s Grannies HRH The Dummy Princess Margaret Kandinsky On the Dad s Liver Bachelors at Large Raymond Baxter type Scun Spanish Inquisition Third Parachute Brigade Amateur Dramatic Society total casectomy Two Sheds Umbonga s hostile opening Vicar sitting thin and unhappy in a pot What s all this then *Greater Atlanta* Derek C.
