The Awakening Coast Karl Offen,Terry Rugeley,2014-06-01 The indigenous and Creole inhabitants Mosquitians of African descent of the Mosquito Reserve in present day Nicaragua underwent a key transformation when two Moravian missionaries arrived in 1849 Within a few short generations the new faith became so firmly established there that eastern Nicaragua to this day remains one of the world's strongest Moravian enclaves The Awakening Coast offers the first comprehensive English language selection of the writings of the multinational missionaries who established the Moravian faith among the indigenous and Afro descendant populations through the turbulent years of the Great Awakening of 1881 to 1882 when converts flocked to the church and the mission's membership more than doubled The anthology tracks the intersection of religious political and economic forces that led to this dynamic religious shift and illustrates how the mission's first fifty years turned a relatively obscure branch of Protestantism into the most important political and spiritual institution in the region by contextualizing the Great Awakening Protestant evangelism and indigenous identity during this time of dramatic social change **Laying On Of Hands** ,2013-10-30 **The Dog Soldier's Manual** Raven Walker,2000-04 Conditions create character The unique conditions of the frontier breed a special kind of man brave strong and capable Thrown out onto the high plains to sink or swim the Cheyenne bred the dog soldier and became a strong and vibrant people Plunging into the American wilderness to find the free life the pioneer bred the ranger a man who could build the cabin hunt and bring home meat and be ready on a moment's notice to answer the call for help to defend the family kith and kin with all his ability even his life to keep the people free and alive The Dog Soldier's Manual is the story of this special kind of man and
