Full Dark House Christopher Fowler,2005-05-31 When a bomb claims the life of John May s detective partner of more than half a century May becomes convinced that the key to the killer s identity lies in his first case together with his partner

Full Dark House Christopher Fowler,2004-06-01 Edgy suspenseful and darkly comic here is the first novel in a riveting mystery series starring two cranky but brilliant old detectives whose lifelong friendship was forged solving crimes for the London Police Department s Peculiar Crimes Unit In *Full Dark House* Christopher Fowler tells the story of both their first and last case and how along the way the unlikely pair of crime fighters changed the face of detection A present day bombing rips through London and claims the life of eighty year old detective Arthur Bryant For his partner John May it means the end of a partnership that lasted over half a century and an eerie echo back to the Blitz of World War II when they first met Desperately searching for clues to the killer s identity May finds his old friend s notes of their very first case and becomes convinced that the past has returned with a killing vengeance It begins when a dancer in a risque new production of *Orpheus in Hell* is found without her feet Suddenly the young detectives are plunged in a bizarre gothic mystery that will push them to their limits and beyond For in a city shaken by war a faceless killer is stalking London s theaters creating his own kind of sinister drama And it will take Arthur Bryant s unorthodox techniques and John May s dogged police work to catch a criminal whose ability to escape detection seems almost supernatural a murderer who even decades later seems to have claimed the life of one of them and is ready to claim the other Filled with startling twists unforgettable characters and a mystery that will keep you guessing *Full Dark House* is a witty heartbreaking and all too human thriller about the hunt for an inhuman killer

Bryant & May on the Loose Christopher Fowler,2009-11-24 BONUS This edition contains an excerpt from Christopher Fowler s *Bryant May off the Rails* The Peculiar Crimes Unit is no more disbanded finished kaput After years of defying the odds and infuriating their superiors detectives Arthur Bryant and John May have finally crossed the line While Bryant takes to his bed his bathrobe and his esoteric books the rest of the team takes to the streets looking for new careers until one of them stumbles upon a gruesome murder Now the Unit is back for an encore performance in a rented office with no computer network no legal authority and a broken toilet They ve got until the end of the week to solve a mystery with links to gangland crime the 2012 London Olympics and a half man half stag creature that s carrying off young women It s the kind of case that Bryant and May live to solve and it could be the one that finally kills them *Bryant & May: The Lonely Hour* Christopher Fowler,2019-12-03 Oh joy a new Peculiar Crimes Unit case by Christopher Fowler the best fun is running all over the city with these amiable partners The New York Times Book Review The brilliant Arthur Bryant and John May take the late late shift in a cat and mouse hunt with a killer who preys on his victims at the same time every night the lonely hour of 4 A M When a man is found hanging upside down inside a willow tree on Hampstead Heath surrounded by a baffling assortment of occult objects the Peculiar Crimes Unit is called in to investigate Was this a botched satanic ritual pulled off by bored

teenagers a gang initiation or the work of a mastermind with grander intentions Bryant and May set off in search of answers and are soon reminded that London is a city steeped in blood and magic When another body is pulled from the river at dawn it becomes clear that a killer lurks in the night To catch him the PCU switches to graveyard shifts but the team still comes up short As they explore a night city where the normal rules do not apply they re drawn deeper into a case that involves murder arson kidnapping blackmail loneliness and bats May takes a technological approach while Bryant goes in search of his usual academics and misfits for help for this investigation reveals impossibilities at every turn How do you stop a killer who appears not to exist Luckily impossibilities are what the Peculiar Crimes Unit does best **Funny Thing About Murder**

David Geherin,2017-11-02 Focusing on crime fiction and films that artfully combine comedy and misdeed this book explores the reasons writers and filmmakers inject humor into their work and identifies the various comic techniques they use The author covers both American and European books from the 1930s to the present by such authors as Rex Stout Raymond Chandler Robert B Parker Elmore Leonard Donald E Westlake Sue Grafton Carl Hiaasen and Janet Evanovich along with films from The Thin Man to the BBC s Sherlock series Gumshoes Mitzi M. Brunsdale,2006-04-30 The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before This dictionary of fictional detectives helps readers learn about the series in which their favorite detectives are featured Included are alphabetically arranged entries on roughly 150 fictional detectives which provide information about the works in which the detective appears the locales in which the detective operates the detective s investigative methods and other important information Helpful bibliographical citations direct the reader to other interesting works The volume closes with a selected general bibliography various appendices and an extensive index The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before Many of the most popular mystery books appear in series and these series feature carefully developed detectives **Hell Train** Christopher Fowler,2011-12-27 Imagine there

was a classic supernatural chiller that Hammer Films never made A grand epic produced at the studio s peak which played like a cross between the Dracula and Frankenstein films and Dr Terror s House Of Horrors Four passengers meet on a train journey through Eastern Europe during the First World War and face a mystery that must be solved if they are to survive As the Arkangel races through the war torn countryside they must find out What is in the casket that everyone is so afraid of What is the tragic secret of the veiled Red Countess who travels with them Why is their fellow passenger the army brigadier so feared by his own men And what exactly is the devilish secret of the Arkangel itself Bizarre creatures satanic rites terrified passengers and the romance of travelling by train all in a classically styled horror novel **Nyctophobia** Christopher Fowler,2014-10-09 It s a strange thing nyctophobia You re not born with it It can start at any time It comes and goes and it s one of the only phobias you can transmit to other people Newly married architect Callie and her wealthy husband Mateo move to Hyperion House a grand old home in southern Spain It s an eccentric place built in front of a cliff serene and

beautiful but eerily symmetrical and cunningly styled so that half the house is flooded with light and half locked up and neglected is shrouded in darkness Unemployed and feeling isolated in a foreign country Callie determines to research the history of the curious building But the past is sometimes best left alone Uncovering the folklore of the house s strange history Callie is drawn into darkness and delusion As a teenager Callie was afraid of the dark and now with her adolescent nyctophobia returning she becomes convinced there s someone in the darkened rooms Somewhere in the darkness lies the truth about Hyperion House But some doors should never be opened **Plastic** Christopher Fowler,2013-08-01 With a Foreword by Joanne Harris June Cryer is a shopaholic suburban housewife trapped in a lousy marriage After discovering her husband s infidelity with the flight attendant next door she loses her home her husband and her credit rating But there s a solution a friend needs a caretaker for a spectacular London high rise apartment It s just for the weekend and there ll be money to spend in a city with every temptation on offer Seizing the opportunity to escape June moves in only to find that there s no electricity and no phone She must flat sit until the security system comes back on When a terrified girl breaks into the flat and June makes the mistake of asking the neighbours for help she finds herself embroiled in an escalating nightmare trying to prove that a murderer exists For the next 24 hours she must survive on the streets without friends or money and solve an impossible crime *Bryant & May and the Burning Man* Christopher Fowler,2015-12-15 No case is too curious for Arthur Bryant and John May London s most ingenious detectives But with their beloved city engulfed in turmoil they ll have to work fast to hold a sinister killer s feet to the fire In the week before Guy Fawkes Night London s peaceful streets break out in sudden unrest Enraged by a scandal involving a corrupt financier accused of insider trading demonstrators are rioting outside the Findersbury Private Bank chanting marching and growing violent But when someone hurls a Molotov cocktail at the bank s front door killing a homeless man on its steps Bryant May and the rest of the Peculiar Crimes Unit is called in Is this an act of protest gone terribly wrong Or a devious premeditated murder Their investigation heats up when a second victim is reported dead in similar fiery circumstances May discovers the latest victim has ties to the troubled bank and Bryant refuses to believe this is mere coincidence As the riots grow more intense and the body count climbs Bryant and May hunt for a killer who s adopting incendiary methods of execution on a snaking trail of clues with roots in London s history of rebellion anarchy and harsh justice Now they ll have to throw themselves in the line of fire before the entire investigation goes up in smoke Suspenseful smart and wickedly funny Bryant together with a cast of splendidly eccentric characters and corkscrew plots wit verve and some apposite social commentary they make for unbeatable fun The Guardian Winningly eccentric The books are set in a skillful synthesis of a phantasmagorical earlier era and the modern age Financial Times The most delightfully wickedly entertaining duo in crime fiction Fowler s tale is a rich mix of laugh out loud lines acerbic wit obscure British history and a wonderfully puzzling story Grade A The Plain Dealer Fowler is even better than usual at getting readers to care about his squad of misfits Publishers Weekly Not even Arthur Bryant s alarming behavior can dampen the

twelfth installment in the most joyously inventive mystery series of our time Kirkus Reviews Fascinating and intriguing This book is definitely a standalone novel that keeps the reader absorbed in the story and will make everyone want to go back and read them all This is a very solid story and a great addition to Fowler s long running series The mystery is fascinating and readers will definitely want to know what happens next And for newcomers to the series this will be an excellent place to start Suspense Magazine Fans of the Bryant and May series will welcome this latest installment with plenty of obscure historical details mixed with outr crimes and the banter of the PCU members Newcomers will find plenty to enjoy as well without finding the amount of details included from earlier outings overwhelming Library Journal Witty with a dry sense of humor finely plotted complex and funny RT Book Reviews A fascinating investigation with lots of false leads and a plethora of historical factoids Mystery Scene
