Fundamentals Of Corporate Finance Asia Global Edition:

Fundamentals of Corporate Finance, 2012 This text builds on the tradition of excellence that instructors and students have come to associate with the Ross Westerfield and Jordan series. It blends comprehensive coverage of modern research with an emphasis on practical applications. Written with one strongly held principle that corporate finance should be developed and taught in terms of a few integrated powerful ideas, three basic themes became the central focus of the book. This Asia Global Edition aims to meet the significant gap for a book with Asian examples and internationalized Asian content. From back cover **Introduction to Corporate Finance: Asia-Pacific Edition with Online Study Tools 12 Months**

John R. Graham, Scott B. Smart, Christopher Adam, Brindha Gunasingham, 2016-08-09 Introduction to Corporate Finance offers a dynamic, modern and practical approach that illustrates how financial management really works. It features up-to-date content including the impact of the Global Financial Crisis and capital budgeting. Introduction to Corporate Finance is distinguished by the cash flow arc of the narrative which gives a practical learning path and the use of real options which is a practical analysis tool that is used in corporate finance. Students are thus provided with the most engaging and contemporary learning path of any Australian text, giving them realistic preparation for a career in finance. The strong five-part framework of the book is supported by integrated online elements and easy-to-read text. **EBOOK: Corporate Finance Foundations - Global edition** Stanley Block, Geoffrey Hirt, Bartley Danielsen, 2014-03-16 This Global Edition has been developed specifically to meet the needs of international finance students. It continues to offer substantial coverage of the recession and liquidity crisis that engulfed the global economies in the last few years and pays special attention to the banking sector and the critical need for funding that most businesses face. The emphasis on analytical approaches to international financial problems is intended to make the content more relevant and improve learning outcomes for the international student. Corporate Finance Foundations' thorough treatment of concepts and application combines with a complete digital solution to help your students achieve higher outcomes in the course. **Fundamentals of Corporate Finance** Jonathon Berk, Peter DeMarzo, Jarrod Harford, Guy Ford, Vito Mollica, Nigel Finch, 2013-12-02 Core concepts. Contemporary ideas. Outstanding innovative resources. To succeed in your business studies, you will need to master core finance concepts and learn to identify and solve many business problems. Learning to apply financial metrics and value creation as inputs to decision making is a critical skill in any kind of organisation. Fundamentals of Corporate Finance shows you how to do just that. Berk presents the fundamentals of business finance using the Valuation Principle as a clear unifying framework. Throughout the text, its many applications use familiar Australian examples and make consistent use of real world data. This Australian adaptation of the highly successful US text Fundamentals of Corporate Finance features a high-calibre author team of respected academics. The second edition builds on the strengths of the first edition and incorporates updated figures, tables and facts to reflect key developments in the field of finance. For corporate finance or financial management students at undergraduate or post graduate level.
