

THIS KID.... READ THE SECOND PARAGRAPH, AND THEN CHECK OUT HIS GRADE.

MIDTERM EXAM PART 2 (70 points)

Select one of the following questions. Circle your choice and write a 3-4 page coherent, well-referenced essay supporting your thesis. Use direct quotes when appropriate and make sure you use specific examples. YOU MAY USE A COPY OF ANY OF THE TEXTS BUT NO LAPTOP COMPUTERS.

OPTION A:

Many of Shakespeare's works contain similar elements, themes, and plot points. Compare and contrast these similarities for two of the assigned plays. Cite specific examples as generalized answers will not receive full credit.

OPTION B: (Note: *A Midsummer Night's Dream* is not acceptable for this question)

For one of the assigned tragedies, explore the feasibility of it occurring in a modern setting. Would advances in technology, communication, and other factors overcome the negative, yet timeless, concepts of human nature displayed in that play?

In two of Shakespeare's most famous plays, Othello and Romeo and Juliet, there is a recurring theme of the consequences of rash and hastily made decisions. There is an underlying moral of prudence illustrated by the snowballing effects of poor choices, ultimately culminating in Romeo's foolish suicide moments before Juliet awakes, and Othello killing his own wife before finding out she had done nothing wrong. If common sense had been applied at previous stages, these tragic endings may have never materialized.

In all honesty, I am already bored with this topic. It is far less interesting than I had hoped and I really don't want to finish this essay. I'm fairly sure you don't really read these, so I'm just going to put enough words down to make it seem like I wrote a lot while I kill time. Wanna hear some words that rhyme with 'time'? (Crime, dime, mine (haha mines are funny), chime, lime. Aw, dude you know what has lime in it? Sprite, it's like lemon-lime. I could really go for one of those about now, but not Sierra Mist, that just isn't the same. It tries too hard to be sprite but it just can't pull it off. It should just try to be itself, and stop trying to measure up to other sodas. It's,

Funny Graded Papers Introduction

In the digital age, access to information has become easier than ever before. The ability to download Funny Graded Papers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Funny Graded Papers has opened up a world of possibilities. Downloading Funny Graded Papers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Funny Graded Papers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Funny Graded Papers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Funny Graded Papers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Funny Graded Papers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Funny Graded Papers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
