Education

"The appreciation of the arts makes us human." Do you agree?

What you need a good education to succeed in
shows?

the passport to your future". This quote may be familiar to many, showing how vital for one to build a bright future and attain success in life. With a traditional education one gets, the higher the pay and the better the standard of living. In a modern society, this statement may hold entirely true especially with the aid of an extensive social platform and many other unconventional ways that do not act as a barrier in their trade. Even though debatable, I still resonate with the statement that education is the passport to your future. Below we will discuss how education can help in third world countries to break the vicious cycle of poverty and how education might not be that necessary in some developed countries.
