Responsive Guided Reading in Grades K-5 Jennifer Berne, Sophie C. Degener, 2010-04-22 Guided reading is a staple of elementary literacy instruction yet planning and conducting reading groups can be time consuming and challenging This hands on book presents an innovative approach to guided reading that is manageable even for teachers who are new to small group differentiated reading instruction Numerous classroom examples illustrate how to organize groups and select suitably challenging materials structure group sessions provide scaffolding and cues while listening to students read and balance small group with whole class instruction Special features include scheduling aids and lists of common cues for beginning and older readers as well as suggestions for further reading at the end of each chapter *Exploring Psychology Study Guide* Richard O.

Straub, 2004-03-31 This study guide for David Myers best selling text for introductory psychology courses is compelling and concise with a global perspective on psychology This edition has been thoroughly updated and includes new features and a media supplements package

An Instrumentalist Theory of Political Legitimacy Matthias Brinkmann, 2024-05-16 We are all subjected to the power of the state and other entities such as the EU But what justifies the far reaching power of these institutions Standard theories suggest that consent democracy or justification make exercising power legitimate This book however argues that these approaches do not survive philosophical scrutiny Instead it develops a radical theory of political legitimacy according to which power is justified because of the outcomes it brings about It does not primarily matter then how power is exercised instead we should focus on what it achieves This is the first book length treatment of instrumentalism It outlines the structure and core moral commitments of the theory and considers in detail how it is best formulated In particular the book sketches an abstract theory of justice and argues that our primary aim in distributing political power should be to promote justice Instrumentalism is also contrasted with the three leading theories of legitimacy based on consent democracy and public justification Not only are these competing theories unpersuasive but it is also shown that instrumentalism can replicate some of their appeal in its own way The book also untangles some conceptual confusions concerning political legitimacy One mainstream view is that legitimacy requires authority the ability to give binding commands to people This book argues against the necessity of authority and develops an authority less model of legitimacy defining legitimacy as the separate and distinctly moral problem of justifying political power This book will appeal to anyone interested in the moral foundations of justified political power and especially to researchers in philosophy political theory and

law **Classroom Strategies for Interactive Learning** Doug Buehl, 2017 Educators across content areas have turned to Classroom Strategies for Interactive Learning for almost two decades This fully updated fourth edition delivers rich practical research based strategies that readers have found invaluable in the context of today s classrooms Doug has written all new chapters that focus on the instructional shifts taking place as the Common Core State Standards are implemented across the United States These introductory chapters will help you do the following Understand the research base for comprehension strategies in content classrooms Learn how to tap into students background knowledge to enhance comprehension of complex texts and build new knowledge Show learners how to question a text Teach reading and thinking through a disciplinary lens At the heart of this edition are more than forty classroom strategies with variations and strategy indexes that identify the instructional focus of each strategy pinpoint the text frames in play as students read and learn and correlate students comprehension processes across the phases of strategy implementation In addition each strategy is cross referenced with the Common Core s reading writing speaking listening and language standards **How Is It With Your Soul (Director Guide)** Denise Stringer, 2010-12-01 How Is It With Your Soul is a complete stand alone session guide for use by pastors and directors of Wesleyan Class Meeting groups to train Class Leaders The ten training sessions are designed to create group support among the Class Leaders and also strengthen the relationship between the pastor or director and the Class Leaders they oversee Dr Denise Stringer author of How Is It With Your Soul developed the Director s Guide for use in providing a training seminar for Class Leaders while in the process of training Class Leaders in her own congregation [Hi!
