The Dads & Daughters Togetherness Guide Joe Kelly, 2008-12-10 Fathers know that doing things with their daughters is important Shared activities build trust and self esteem show how much dads care and allow everyone to cut loose and have fun But even fathers who can beat the

generation and gender gaps that make them feel awkward can't always dream up cool places to go or mutually enjoyable things to do. Like the coach of their favorite team, dads need a game plan, and that's exactly what Joe Kelly provides in *Dads Daughters Togetherness Guide*. Appropriate for girls of any age, the guide enables dads to grab their daughters by the hand and say "Let's go." See how things are made. Take a made-in-America tour and see how everything from jumbo jets (Boeing) to chocolate kisses (Hershey's) is produced. Bake a funny cake. She'll laugh herself silly in the kitchen making Kitty Litter Cake, a German chocolate sheet cake covered with cat litter, dyed crumbled cookies, and topped with miniature Tootsie Rolls. Take a drive to nowhere. Let the copilot navigate and leave time for fun stops to poke around in flea markets or join a game of pickup softball for a few innings. With dozens of other engaging activities such as creating a daddy-daughter journal, devising secret codes, and exchanging poems, this is the ultimate rain or shine resource for developing wonderful parent-child rapport. **A**

Coach's Guide to Developing Exemplary Leaders James M. Kouzes, Barry Z. Posner, 2017-07-06. An evidence-based approach to real-world leadership development. *A Coach's Guide to Developing Exemplary Leaders* presents leadership not as an inherent talent but as a set of skills to be learned. Backed by over 30 years of original research and data from over four million individuals, this book offers a framework for leadership development in the modern business environment and a set of best practices for training the leaders of tomorrow. The basic curriculum centers around The Five Practices of Exemplary Leadership Model: the Way Inspire, a Shared Vision, Challenge the Process, Enable Others to Act, and Encourage the Heart. As fundamental elements of great leadership at any level in any industry, these tenets establish a learnable, measurable, teachable set of behaviors that form the basis of evidence-based leadership development. This book shows you how to use the Five Practices and related tools to coach promising talent into leadership roles. Success stories show how these practices have been implemented in real-world situations, and worksheets and checklists help you easily integrate the Five Practices into your existing coaching regimen. Highly practical and straightforward, this action-focused guide helps you shape the future of leadership. Teach people skills that have been proven effective again and again as you show them how to be the example that sets the tone at the top. Inspire high performance, creativity, and innovation. Challenge people to push their comfort zone and enable them to succeed. Provide support, encouragement, and guidance around obstacles. As Baby Boomers retire in record numbers, the need for real, effective leadership is growing greater than ever. At the same time, there has never been a more disparate set of opinions about what leadership actually means. *A Coach's Guide to Developing Exemplary Leaders* provides an evidence-based model to help you develop leaders with real, quantifiable, tangible skills. **Nonfiction**
