Reeves, 2003-02-17 In today's school environment educational leaders are mandated to use academic standards to measure the progress of their school's teachers and students. Despite the wealth of material that addresses the topic of academic standards there is little written for those who must lead the effort to put in place an effective standards system. The Leader's Guide to Standards is a landmark book written by Douglas Reeves an expert in academic standards performance assessment and accountability that shows school principals assistant principals teachers and district level administrators how to build a comprehensive accountability system for standards based reform that focuses on leadership skills. Reeves offers practical recommendations for assessing and nurturing teacher performance setting up balanced assessment and accountability policies and making the case for standards to the public. In addition the book addresses the vital role that policymakers from the local school board to state and national leaders play in the successful implementation of educational standards Teacher as Researcher: Action Research by Elementary Teachers Jay Feng, 2012-12-21 A collection of action research reports by elementary classroom teachers **Literacy in Grades 4-8** Nancy L.
