Husqvarna Riders is a series of ride-on mowers with a large capacity. There are six sizes, from the smallest Rider 11 to the largest Rider 20 ProFlex.

This manual refers mainly to the smaller machines; the larger ProFlex machines are covered by a separate manual. All Riders have articulated steering in order to easily cut around trees and other obstacles. Moreover, they all have front-mounted mowing decks for controlled cutting and for best possible cutting results.

Rider Pro 15 can be delivered with four different mowing decks.
