TRANSFER OPTIONS

- Completed BA or BS degree: CLC student will be evaluated to have met all lower division general education requirements at ISU and receive junior status. Individual majors may have additional prerequisites and/or GPA requirements.
- MA-BACC: Completing only the MA General Education Core at CLC (no BA/BS) will be evaluated by ISU as completing the lower division general education requirements; however the courses required for acceptance to a particular program may not be met.
- Completing some courses at CLC: If considering prior to completing the MA-BACC at CLC, students will have an opportunity to complete the Core at ISU with approved MA courses or to follow CLC's general education requirements as met the general education component of the baccalaureate degree.

TRANSFER CREDITS

The maximum number of semester hours transferable from a community college is 70. Additional credit for military service is also possible. "D" grades will transfer. However if the course required a "D" for graduation or progression in the major, the course would need to be repeated.

Course equivalencies can be viewed at: <http://www.isu.edu/transfer/transfer-credits/community.pdf>

ADMISSION REQUIREMENTS

- Minimum GPA of 2.4/4.0; however, this is NOT a guarantee of admission. Generally, the average GPA of students who are accepted is 3.1. Some programs require a higher GPA for admission or specific course pre-requisites. See website for recommendations and/or guidelines—<http://www.admissions.isu.edu/download/TransferAdmissionGuide.pdf>
- Students should also refer to the Closed Major list at: http://admissions.illinoisstate.edu/transfer/apply/transfer_requirements/closed.php to find out which major programs are available for the term which you applied.
- Applicants with fewer than 24 transferable credited semester hours completed at the time of application will need to submit high school transcripts and an ACT/SAT test score for admission review.

CALCULATION OF ADMISSION GPA

All college course work is calculated into the GPA for admission (except developmental courses). Only the best repeated grade of a course (even taken at the same institution) will be used in calculation for admission. If a same course is taken at two different institutions their both grades will be calculated in.
