## **Illuminati Deceit And Seduction:**

**The Greatest Lie on Earth (Expanded Edition)** Edward Hendrie, 2018-09-12 This book reveals the mother of all conspiracies It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the sun at approximately 66 600 miles per hour All of this is happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it [Bloody Zion](#)

Edward Hendrie, 2012 Jesus told Pontius Pilate My kingdom is not of this world John 18 36 God has a spiritual Zion that is in a heavenly Jerusalem Hebrews 12 22 Revelation 21 10 Jesus Christ is the chief corner stone laid by God in Zion 1 Peter 2 6 Those who believe in Jesus Christ are living stones in the spiritual house of God 1 Peter 2 5 Ephesians 2 20 22 Believers are in Jesus and Jesus is in believers John 14 20 17 20 23 All who are elected by God to believe in Jesus Christ are part of the heavenly Zion without regard to whether they are Jews or Gentiles Romans 10 12 Satan is a great adversary of God who has created his own mystery religions During the Babylonian captivity 2 Chronicles 36 20 an occult society of Jews replaced God's commands with Satan's Babylonian dogma Their new religion became Judaism Jesus explained the corruption of the Judaic religion Howbeit in vain do they worship me teaching for doctrines the commandments of men Mark 7 7 Jesus revealed the Satanic origin of Judaism when he stated Ye are of your father the devil and the lusts of your father ye will do John 8 44 Babylonian Judaism remains the religion of the Jews today Satan has infected many nominal Christian denominations with his Babylonian occultism which has given rise to Christian Zionism Christian Zionism advocates a counterfeit earthly Zion within which fleshly Jews take primacy over the spiritual church of Jesus Christ This book exposes Christian Zionism as a false gospel and subversive political movement that sustains Israel's war against God and man [Why Did Yahweh and His Son Yahshuah Say What They Said?](#)

Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the

Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

**World Empire and the Return of Jesus Christ ,     *The Third Temple: Merging Agendas*** Jonathan Malone,2023-08-17  
Of the supporters of the modern nation of Israel Christian Zionism seems to have contributed little more than moral support Perhaps some financial support However there were supporters of the national effort unknown to the general public who wielded significant power often flying under the cover of Christian Zionism Who were they What was their interest In order to identify them we view modern history through the lens of Biblical prophecy Mystery Babylon a global false religious system of the end times seems to be a form of Gnosticism In this book we begin to develop the idea that the nation was founded with religious designs and not particularly Jewish designs although there is a correspondence between the Gnosticism of Freemasonry and Judaic Gnosticism     **Biblical Eschatology:** Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both

Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book Iluminati 2 Henry Makow Ph. The third edition, to which is added a postscript* John ROBISON,1798 **The Conspiracies Against All the Religions and Governments of Europe** John Robison,2020-12-17 The Conspiracies Against All the Religions and Governments of Europe is a book by John Robison alleging clandestine intrigue by the Illuminati and Freemasons The secret agent monk Alexander Horn provided much of the material for Robison s allegations Robison goes through great detail about Adam Weisshaupt founder of the Order of the Illuminati and his infiltration of the Free Masons with a grand plan to overturn the social and political order of Europe and his successes Biographical Memoirs of the French Revolution John Adolphus,1799 **Conceived in Doubt** Amanda Porterfield,2012-04-02 Americans have long acknowledged a deep connection between evangelical religion and democracy in the early days of the republic This is a widely accepted narrative that is maintained as a matter of fact and tradition and in spite of evangelicalism s more authoritarian and reactionary aspects In *Conceived in Doubt* Amanda Porterfield challenges this standard interpretation of evangelicalism s relation to democracy and describes the intertwined relationship between religion and partisan politics that emerged in the formative era of the early republic In the 1790s religious doubt became common in the young republic as the culture shifted from mere skepticism toward darker expressions of suspicion and fear But by the end of that decade Porterfield shows economic instability disruption of traditional forms of community rampant ambition and greed for land worked to undermine heady optimism about American political and religious independence Evangelicals managed and manipulated doubt reaching out to disenfranchised citizens as well as to those seeking political influence blaming religious skeptics for immorality and social distress and demanding affirmation of biblical authority as the foundation of the new American national identity As the fledgling nation took shape evangelicals organized aggressively exploiting the fissures of partisan politics by offering a coherent hierarchy in which God was king and governance righteous By laying out this narrative Porterfield demolishes the idea that evangelical growth in the early republic was the cheerful product of enthusiasm for democracy and she creates for us a very different narrative of influence and ideals in the young republic
