Mustangs, Torinos and More Dave Stribling,2017-03-15 The Ford modular engine is a popular swap for 1964 1 2 1973 Mustangs Fox Body Mustangs trucks hot rods and other muscle cars because these high tech engines provide exceptional performance and improved economy compared to their dated counterparts Found in Mustangs and other Fords since the 1990s installing a modular motor in a classic Ford infuses new technology and all the benefits that come with it into a classic car Modular engines feature an overhead cam design that has massive horsepower potential and are offered in 4 6 5 0 5 2 5 4 and 5 8 liter iterations These high tech 2 3 and 4 valve engines are readily available as a crate engine from salvage yards and in running cars This engine design has a large physical footprint and swapping the engine requires a thorough plan using the proper tools and facilities Author Dave Stribling specializes in modular engine swaps and expertly guides you through each crucial step of the engine transplant process Because of the large physical size many components such as brake boosters steering rods and boxes and other underhood components may need repositioning or modification to co exist in the engine bay Stribling covers motor mount selection and fabrication suspension and chassis modifications aftermarket suspension options firewall and transmission tunnel modifications engine management and wiring procedures fuel systems

exhaust systems electrical mods and upgrades and much more Many older Ford muscle and performance cars are prime candidates for a modular swap however shock towers protrude into the engine bay of these cars so modifications are necessary to fit the engine into the car which is also covered here Swapping the engine and transmission into a muscle car or truck requires specialized processes and this insightful explanatory and detailed instruction is found only in this book If you are considering swapping one of these high tech engines into a non original chassis this book is a vital component to the process
