

Letter of inquiry sample requesting information

Letter example - Requests for information

Bradford Mills, Pa.,

August 9, 1923.

Dr. Louis Elliott,
29 Walnut Street,
Philadelphia, Pa.

My dear Dr. Elliott:

I am writing a paper on Vitamins to be read before the Mothers' Club, an organization of Bradford Mills mothers.

I have drawn most of my material from your article in the *Medical Magazine*, acknowledging, of course, the source of my information. There are several points, however, on which I am not clear. As it is of great importance that this subject be presented to the mothers correctly, I am addressing you personally to get the facts.

1. Am I to understand that no other foods than those you mention contain these vitamins?
2. Are all the classes of vitamins necessary to life and will a child fed on foods containing all the known vitamins be better conditioned than one fed on only one kind?

I shall greatly appreciate your answering my questions. The members of the club have shown surprising interest in this matter of food.

Yours sincerely,
Mabel Manners.
