Konje,2009-03-27 This book established itself in its first edition as the definitive one stop shop revision aid the only one
available to encompass all elements of the MRCOG Part 2 examination in a single volume Now incorporating practice EMQs
as well as the standard question types this second edition will ensure that it retains its place on the must have list for every
candidate preparing for this exam Concentrating on testing the candidate s theoretical and practical knowledge as
recommended in the current MRCOG syllabus the book tests the trainee with questions in obstetrics and gynaecology and
those aspects of medicine surgery and paediatrics relevant to the practice of both The book is divided into four key parts one
for each style of question each of which opens with an introductory section on how to approach the exam and crucially how
to fail it Part 1 provides a series of short answer practice papers Common mistakes are highlighted as well as a list of key
points required to get full marks A sample answer is given for each question Part 2 contains a mock paper for the MCQ part
of the exam containing 225 questions with answers and helpful annotations Part 3 introduces the EMQ giving the reader 40
questions in the style of the examination together with answers and explanatory notes Part 4 is devoted to the OSCE with
descriptions of 20 sample stations assessing different aspects of clinical practice advice on how to tackle these and suggested
marking schemes Throughout questions have been designed to test factual knowledge and understanding problem solving
ability and clinical and communication skills The Calcutta Gazette ,1913 *The Central Provinces Gazette* Central
